

## **MOTIONS**

### **7.1 MOTION FROM COUNCILLOR PRINCE**

That Council recognises the positive record of championing older residents in this Borough, and celebrates the positive effect of older person engagement and support that they receive here in Hillingdon.

Council acknowledges that young people in Hillingdon face increasingly difficult challenges, and that they require specific and dedicated attention to address them.

Council, therefore calls upon the Leader to recommend the appointment of a Youth Champion which will be a role held by a sitting Hillingdon Councillor and would be the lead on exploring opportunities to increase engagement between the Council and young people in the Borough, and would be responsible for championing young people's issues here in Hillingdon.

### **7.2 MOTION FROM COUNCILLOR ALLEN**

That this Council notes that, quite rightly, much is talked of anti-social behaviour, the owners of Heathrow Airport's proposal for a 3rd runway, about the fumes residents breath in from tarmac companies in Townfield, hot wheel cars taking over local carparks and of residents causing problems for their neighbours.

The issues, however, that we never hear, here in the Council chamber is the other type of ASB - the lack of proper street cleaning, the lack of proper maintenance of shrubbery or the removal of weeds in a timely manner to stop them seeding.

This Council calls upon Environmental Services to investigate what actions they can take regarding the areas for which they are responsible, to bring the weeds under control and to improve our environment and make the residents proud to say they live in Hillingdon.

### **7.3 MOTION FROM COUNCILLOR DHILLON**

That this Council is concerned with increased anti-social behaviour associated with car street racing and their meets, and requests Cabinet to address this issue immediately to prevent further danger and ASB to residents and investigate ways, with other agencies such as the police, to help prevent future events on other venues.

### **7.4 MOTION FROM COUNCILLOR CURLING**

That this Council recognises the value that the RAFA Battle of Britain Club provides to the local community and its historic significance in both its building and its location. With the redevelopment of the RAF base, including the new bunker museum and visitor centre, Council recognises that the Battle of Britain Club's profitability has a very good chance of improving substantially over the next few years. Its continued presence would also add to the proud heritage of the St Andrews Park estate.

Council further expresses its disappointment that this club is destined to close within the next few days. Council requests that the Leader of the Council uses his good offices to intervene and do everything in his power to persuade the Royal Air Force Association to hold off their closure plans and then enable the Council and community groups to work with the Battle of Britain Club on initiatives to secure the club's future.

## **7.5 MOTION FROM COUNCILLOR MONEY**

That this Council notes that it conducted a local referendum in which 66%, of those who took part, opposed Heathrow Expansion. This Council, therefore, expresses its disappointment that Boris Johnson MP and Nick Hurd MP didn't stand by their election pledges to put our residents first, and vote against a 3rd Runway at Heathrow.

That this Council calls upon the Leader of the Council to use his influence to persuade Boris Johnson MP and Nick Hurd MP to consider their positions, do the honourable thing and resign, to make way for MPs who will put our residents before their own self-interest.
