SUPPORTING INFORMATION

Hillingdon's Policy Overview, Scrutiny and Select Committees have a vital responsibility in monitoring Council and other public services in the Borough, influencing policy and engaging residents and local organisations in this important work. Over the years, Committees have undertaken successful in-depth reviews of local services and issues. This has resulted in a number of positive changes locally, with some also affecting policy at a national level. Such committees engage Councillors in a wide range of Council activity and make recommendations to the decision-making Cabinet. This report provides Members with an update on the progress made in implementing scrutiny recommendations that have previously been accepted by the Executive.

The Committee is invited to review the action (detailed in Appendix A) taken to implement recommendations previously accepted by the Executive in relation to the following completed scrutiny activities:

- [Criminalisation of Looked After Children](#) – this review was considered by Cabinet on [25 January 2018](#); and
- [Tackling Child Sexual Exploitation](#) – this review was considered by Cabinet on [18 May 2017](#).
