The further proposed increase in opening hours (6am – 11pm, 7 days a week) seems excessive and the change of use to sell alcohol will disturb the residents who live in the flats above and near to the premises and significantly alter their enjoyment of their homes. They will have no respite from this increase in noise, particularly early in the morning and late into the evening. There are a large number of schools in the area and the shop is near a tube station and several bus stops. We are concerned that this will encourage the antisocial behaviour problems currently prevalent in Northwood Hills, one tube stop or a short bus ride away, to spread to Northwood, thus stretching the policing resources even further. The pavement is not deep enough for people to safely gather outside and allow commuters to pass safely. The road in front of the shop has double yellow lines and we are concerned that potential customers will park outside the shop 'just for a minute' causing traffic problems.</u></p>

The outcome you are seeking from the Licensing Authority (See note 6);

Refuse the application for selling alcohol before 7:30 am and after 9:00 pm Monday to Saturday and after 5:00 pm on Sunday, bringing the opening hours into line with the other alcohol selling shops in the area.
