HEADLINES

The Committee is undertaking a review into Universal Credit and other welfare benefit changes and how the Council can support residents through the transition to, and future successful management of, their Universal Credit (UC) claims.

RECOMMENDATIONS

That the Social Care, Housing and Public Health Policy Overview Committee:

- 1) Considers the draft report for the review and delegates any amendments to Democratic Services, to be approved by the Chairman and Labour Lead.**
- 2) Subject to the agreed amendments, endorses the report for submission to Cabinet.**

SUPPORTING INFORMATION

The agreed Terms of Reference for the review are set out below:

Terms of Reference

1. To understand the impact that the introduction of the full UC service has had in areas where it has been rolled out. To include the cumulative impact of the introduction of UC and other welfare benefit changes.
2. To understand the impact that UC, alongside other welfare benefit changes, is having and is expected to have on local residents in Hillingdon and on the income and costs of the Council, housing associations and other local organisations.
3. To examine how the Council services, housing associations and voluntary groups are supporting residents to transition to UC and manage their claims.
4. To make practical, prudent recommendations to Cabinet (and other bodies if applicable) from the Committee's findings to support residents transitioning to UC and to manage their claims.

Review update

At the meeting on 30 July 2018, Members agreed that the Committee's first review topic would be 'Universal Credit and Other Welfare Benefit Changes'. Following this agreement, Members heard from a variety of witnesses.

This information has now been set out within a draft final report, alongside the recommendations that were discussed at the meeting on 18 March 2019. This draft final report will be circulated to the Committee prior to the meeting on 11 April 2019, and it is requested that the Committee consider the draft final report for endorsement to Cabinet.

Implications on related Council policies

While much of this topic is set nationally set, for any changes locally, the role of the Policy Overview Committees is to make recommendations on service changes and improvements to the Cabinet who are responsible for the Council's policy and direction.

How this report benefits Hillingdon residents

Policy Overview Committees directly engage residents and external partners in the work they do.

Financial Implications

These are primarily for residents claiming UC, as set out in the background papers. There may also be an impact on the Council's finances in respect of residents being unable to pay rent and Council tax.

Legal Implications

The primary legislation relating to Universal Credit is the Welfare Reform Act 2012, with further regulations following thereafter.
