RECOMMENDATIONS:

That the Committee considers the revisions to the Statement of Gambling Policy and offers comments to be considered by Cabinet at the end of the consultation period.

SUPPORTING INFORMATION

The Council is required to review its licensing policies at regular intervals to ensure that it is carrying out licensing functions in accordance with current legislation. During this review, consideration has been given to how changes might improve the way in which services are being delivered, to make them more efficient and customer friendly.

A draft policy has been produced which now needs to be consulted upon, prior to final consideration by Cabinet or adoption by full Council.

The Gambling Act 2005 regulates gambling activity such as betting shops, bingo halls and gaming machines. There has been little change to gambling legislation since 2016, therefore very few changes are proposed to the policy. Should substantial changes to legislation occur, the Council may review the Gambling Policy at any time.

Relevant appendices are:

- An overview document detailing the proposed changes is attached at **appendix A**.
- The draft policy, attached at **appendix B**

The proposed timetable for policy implementation is set out below:

20 th June 2019	Draft Policies to Cabinet.
27 th June 2019	Consultation period starts
11 th July 2019	Licensing Committee
18 th July 2019	Residents, Education & Environmental Services Policy Overview Committee
8 th August 2019	Consultation period ends

Implications on related Council policies

The proposed Statement of Gambling policy is a policy framework document under the Council's Constitution. As such, Cabinet is required to approve them in draft form with a timetable to include a period of formal consultation (minimum 6 weeks), to include Licensing Committee and the relevant Policy Overview Committee. Cabinet will then consider the responses of the consultation before deciding whether or not to recommend them to full Council for adoption.
