SUPPORTING INFORMATION

The Council as an administering authority under the Local Government Pension Scheme Regulations is required to produce a separate set of accounts for the scheme's financial activities including its assets and liabilities.

The contents and format of the accounts are determined by statutory requirements and mandatory professional standards as established by the Chartered Institute of Public Finance & Accountancy (CIPFA) in their Code of Practice (The Code).

The Pension Fund Accounts were subject to a separate audit by the Council's external auditors, EY LLP. Whilst the Audit Committee formally approves the Council's Statements of Accounts, which incorporates the Pension Fund Accounts, the Pensions Committee reviews them first. The Pension Fund Accounts also make up part of the Pension Fund Annual report, which will be brought to Pension Committee in October for formal approval. The Audit report on the Pension Fund accounts will be taken to Audit Committee on 22 July 2019.
