TRAINING POLICY

Introduction

This is the Training Policy of the London Borough of Hillingdon Pension Fund (the Fund), which is managed and administered by the London Borough of Hillingdon. It details the training strategy for those involved in the management of the Fund.

The Training Policy is established to aid Pensions Committee, local Pension Board members and senior officers in performing and developing in their individual roles, with the ultimate aim of ensuring that London Borough of Hillingdon Pension Fund is managed by individuals who have the appropriate levels of knowledge and skills.

Aims and Objectives

London Borough of Hillingdon recognises the significance of its role as Administering Authority to the London Borough of Hillingdon Pension Fund.

In relation to knowledge and skills of those managing the Fund, the Administering Authority's objectives are to ensure that:

- the London Borough of Hillingdon Pension Fund is appropriately managed and that its services are delivered by people who have the requisite knowledge and expertise, and that this knowledge and expertise is maintained within the continually changing Local Government Pension Scheme and wider pensions landscape.
- those persons responsible for governing the London Borough of Hillingdon Pension Fund have sufficient expertise to be able to evaluate and challenge the advice they receive, ensure their decisions are robust and well based, and manage any potential conflicts of interest.

All Pensions Committee, local Pension Board members and senior officers to whom this Policy applies are expected to continually demonstrate their own personal commitment to training and to ensuring that these objectives are met.

To assist in achieving these objectives, the London Borough of Hillingdon Pension Fund will aim to comply with:

- the CIPFA Knowledge and Skills Frameworks and
- the knowledge and skills elements of the Public Service Pensions Act 2013 and the Pensions Regulator's (tPR) Code of Practice for Public Service Pension Schemes.

To whom this Policy Applies

This Training Policy applies to all members of the Pensions Committee and the local Pension Board, including scheme member and employer representatives. It also applies to all officers in the London Borough of Hillingdon Pension Fund Management Team and the Section 151 Officer.

Less senior officers involved in the daily management of the Fund will also be required to have appropriate knowledge and skills relating to their roles, which will be determined and managed by the ~~Deputy Director, Strategic Finance~~ Head of Pensions Treasury and Statutory Accounts.

Advisers to the London Borough of Hillingdon Pension Fund are also expected to be able to meet the objectives of this Policy.

Officers of employers participating in the London Borough of Hillingdon Pension Fund who are responsible for pension matters are also encouraged to maintain a high level of knowledge and understanding in relation to LGPS matters, and the London Borough of Hillingdon will provide appropriate training for them. This will be covered further in the London Borough of Hillingdon Pension Fund Administration Strategy.

CIPFA and tPR Knowledge and Skills Requirements

CIPFA Knowledge and Skills Framework and Code of Practice

In January 2010 CIPFA launched technical guidance for pension committees and non-executives in the public sector within a knowledge and skills framework. The Framework set the skill set for those responsible for pension scheme financial management and decision making.

Subsequently, in July 2015 CIPFA launched technical guidance for local pension board members by extending the existing knowledge and skills frameworks in place. This Framework sets the skill set to enable pension board members to properly exercise their functions under Section 248a of the Pensions Act 2004, as amended by the Public Service Pensions Act 2013.

The Framework covers eight areas of knowledge and skills identified as the core requirements (which includes all those covered in the original Committee and non-executives framework):

- Pensions legislation
- Public section pensions governance
- Pensions administration
- Pension accounting and auditing standards
- Financial services procurement and relationship management
- Investment performance and risk management
- Financial markets and products knowledge
- Actuarial methods, standards and practice

CIPFA's Code of Practice recommends (amongst other things) that administering authorities:

- formally adopt the CIPFA Knowledge and Skills Framework (or an alternative training programme)
- ensure that the appropriate policies and procedures are put in place to meet the requirements of the Framework (or an alternative training programme);
- publicly report how these arrangements have been put into practice each year, including what assessment of training needs has been undertaken, and what training has been delivered against the identified needs.

The Pension Regulator's Code of Practice

The Public Service Pensions Act 2013 (PSPA13) requires Pension Board members to:

- be conversant with the rules of the scheme and any document recording policy about the administration of the scheme, and
- have knowledge and understanding of the law relating to pensions and any other matters which are prescribed in regulations.

The degree of knowledge and understanding required is that appropriate for the purposes of enabling the individual to properly exercise the functions of a member of the Pension Board.

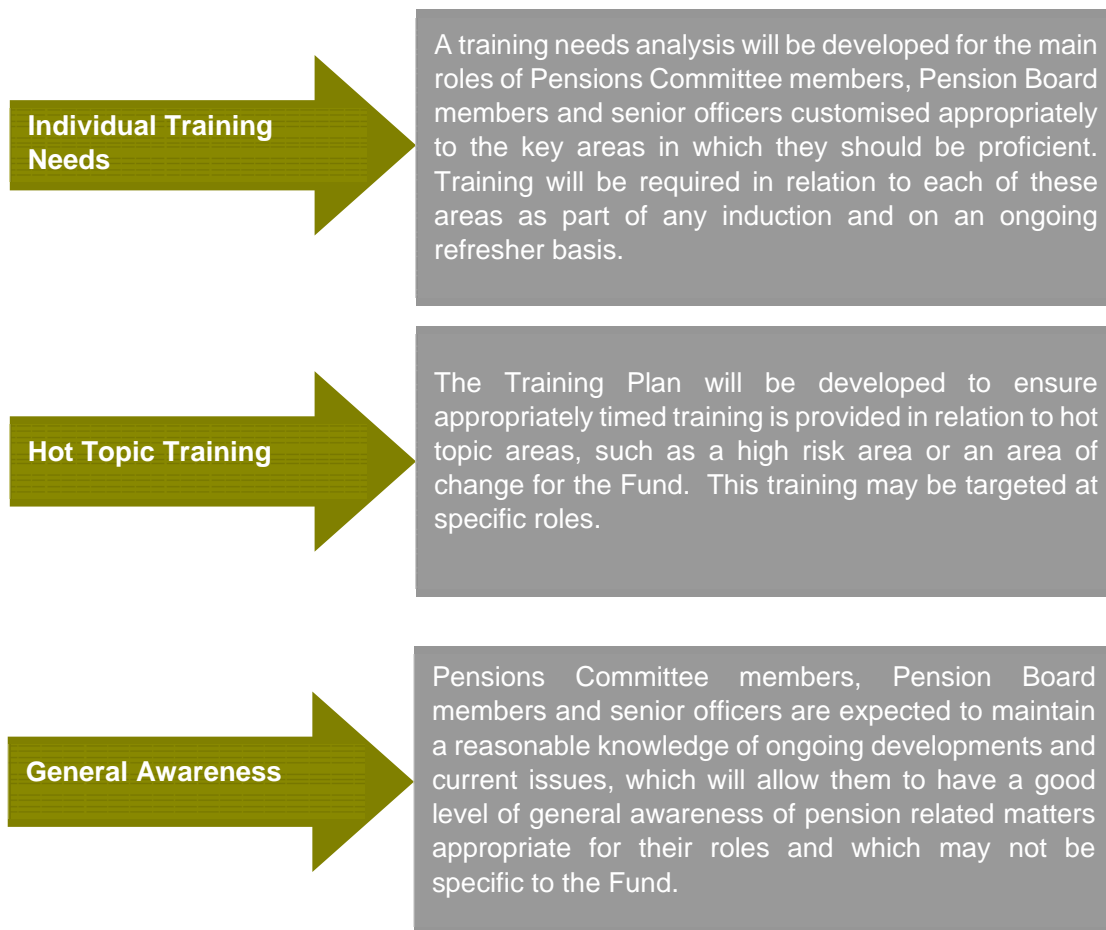

These requirements have been incorporated and expanded on within tPR's Code of Practice 14: Governance and Administration of Public Service Pension Schemes which came into force in April 2015.

Application to the London Borough of Hillingdon Pension Fund

London Borough of Hillingdon fully supports the use of the CIPFA Knowledge and Skills Framework, and tPR's Code of Practice and adopts the principles they set out.
