Dear All

I would like to place an objection to the above.

My objections runs in line with ASBO that will increase due to the request of the licence for live music and extended opening hours.

I support the objections also being sent through from the ASB team and the residents.

This licence will only add to the noise and disturbance we already are seeing along Field End Road.

If you require any further information please do let me know.

Kind Regards

Cllr Becky Haggar
