3. INFORMATION

Supporting Information

The Local Trusts and NHS representatives are invited to attend Board meetings as Co-opted Members. Statutory Members and Co-opted Members are allowed a single nominated/named substitute.

Following agreement by Council on 12 September 2019, it should be noted that Ms Sandra Taylor has replaced Ms Ana Popovici as the Statutory Director of Children's Services Substitute member on the Health and Wellbeing Board with immediate effect.

Voting Rights

In addition to Councillors, the statutory representatives from the local Clinical Commissioning Group and Healthwatch Hillingdon (and their substitutes if required) will be entitled to vote at meetings but Co-opted Members and Council officers will not.

The national regulations surrounding the Board require that all 'voting' members sign up to the Council's Code of Conduct. The Code of Conduct is a set of golden rules by which Elected Councillors must follow to ensure high standards in public office. It includes a public declaration of any interests. It should be noted that the term "Co-opted Member", so far as the Code of Conduct is concerned, is different to that of a Co-opted Member on the Board.

The Board requires that the confidential nature of reports containing exempt information within the meaning of section 100I of the Local Government Act 1972 (commonly known as Part II reports) is observed at all times and by all members of the Board. As Co-opted non-voting members of Hillingdon's Health and Wellbeing Board are not bound by the Council's Code of Conduct, these members are asked to complete a confidentiality agreement. This agreement notes the confidentiality requirement and the need to refrain from discussing or disclosing any aspect of confidential reports to any individual or body outside of the meeting.

Hillingdon Council Legal comments

Section 194 of the Health and Social Care Act 2012 requires the Council to establish a Health and Wellbeing Board to comprise a number of Statutory Members and such other persons, or representatives of such other persons, as the local authority thinks appropriate.

Sections 195 and 196 of the Health and Social Care Act 2012 specify the functions of the Board. These duties are to encourage persons engaged in the provision of any health or social care services "to work in an integrated manner" and to "provide advice, assistance or other support" to encourage joint working between local authorities and NHS bodies. Section 196

also specifies that the Board is to exercise the Council's functions under sections 116 and 116A of the Local Government and Public Involvement in Health Act 2007 - assessment of health and social care needs in the Borough and the preparation of the Joint Health and Wellbeing Strategy.

In addition, The Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 set out how the Board should operate as a Committee of the Council. Regulation 6 provides that the existing legislation on voting rights need not apply unless the Council so directs. However, before making such a direction on voting rights, the Council is required to consult the Board. Regulation 7 makes there no requirement to have all political groups within the Council represented on the Board.

Section 49(7) of the Local Government Act 2000 requires any external members of a Council committee to adhere to the Members Code of Conduct if they have an entitlement to vote at meeting of the committee.
