Dear Stephen

HEATHROW CONSULTATION RESPONSE

Please find attached a copy of the Council's response to the Heathrow Expansion consultation.

The Council is still awaiting the response from the Greater London Archaeological Advisory Service (GLAAS) and therefore may provide additional comments with respect to this topic in due course.

It is also noted that there are a series of consultation questions that HAL are seeking answers to. For avoidance of doubt, the Council considers our response comprehensive and consequently there is no separate commentary relating to those questions.

Should you wish to discuss the contents of the response further, please do not hesitate to contact me using the details at the foot of this page.

Yours sincerely
