I could hear screaming and shouting and could see a group of people engaged in violent arguing, the police were then called. As a result of this I am worried for the safety of my family especially my son as he must pass this premises many nights. I am deeply concerned that this premise will have a negative impact on the community in terms of crime and disorder.</p> <p>Prevention of Public Nuisance: Over the last four years we have endured ongoing public nuisance from the Prince of Wales. This involves loud music being played every weekend and in some instances through the week. We can hear the music with windows shut and from the back of the house. It has both stopped us from sleeping and woken us up on many occasions. We find it extremely hard to engage in any home activities while the music is playing as it interrupts any enjoyment. We cannot sit in our garden when the music is played because our relaxation is disturbed. Both me and my husband have been woken by the sound of bottles being deposited into an exterior bin in the early hours of the morning. In addition, we are constantly aware of the noise produced from taxis and cabs collecting customers. This involves car horns being used, car doors being slammed and customers shouting and hollering when outside the premises. This occurs anytime from 7pm to 2am. Throughout the day we can constantly smell food being cooked and prepared when in the garden or the windows are open. This is a smell of food and oil that makes us all feel nauseous.</p> <p>Protection of Children From Harm: I have witnessed school</p>

	<p>children entering and leaving the premise at lunchtime without an accompanying adult.</p> <p>Public Safety: Please refer to the violent incident that I witnessed in August. As a consequence of this I am worried for the safety of my family and residents if this becomes a frequent occurrence.</p>
--	---

The outcome you are seeking from the Licensing Authority (See note 6);

In light of my concerns that have been listed, which have been a constant over the last four years. We would like the playing of music to be stopped at any hours, his closing hours reduced to 12am on weekends and 11pm on weekdays, and for there be a extra level of safety for residents and customers.

Signed:Deborah Craig..... Date:22/10/2019.....
