

EXTERNAL SERVICES SELECT COMMITTEE - WORK PROGRAMME

Committee name	External Services Select Committee
Officer reporting	Nikki O'Halloran, Chief Executive's Office
Papers with report	Appendix A – Work Programme
Ward	n/a

HEADLINES

To enable the Committee to track the progress of its work and forward plan.

RECOMMENDATIONS:

That the External Services Select Committee:

1. agrees to change the start time of meetings to 6.30pm for the remainder of the municipal year; and
2. considers the Work Programme at Appendix A and agrees any amendments.

SUPPORTING INFORMATION

1. The Committee's meetings have previously started at 6pm. Members are asked to agree a change the start time of Committee meetings to 6.30pm for the remainder of the municipal year, to provide those attending straight from work with a little extra time to arrive. Should the need arise, the Committee will be able to vary the start time on an ad hoc basis.
2. The meeting dates for the 2020/2021 municipal year were agreed by Council on 16 January 2020 and are as follows (with the proposed 6.30pm start time):

Meetings	Room

Tuesday 10 November 2020, 6.30pm	?? CR5

3. Further details of the issues to be discussed at each meeting can be found at Appendix A.

Topics to be Scheduled into the Work Programme

4. It should be noted that the Committee is required to meet with the local health trusts at least twice each year. It is also required to scrutinise the crime and disorder work of the Safer Hillingdon Partnership (SHP).
5. The Committee received an update from NHS England (NHSE) / NHS Improvement (NHSI) at its meeting on 9 October 2019 in relation to the review of the Mount Vernon Cancer Centre. Following a period of engagement, expressions of interest were sought and evaluated and a recommendation has been made to NHSE. The Chairman of the Committee attended a site visit and workshop at Mount Vernon Hospital on Tuesday 4 February 2020. Representatives from a number of organisations attended including: East and North Hertfordshire NHS Trust, NHSE, University College London Hospitals NHS Foundation Trust (UCLH), The Hillingdon Hospitals NHS Foundation Trust (THH), Healthwatch Hillingdon, East and North Hertfordshire CCG and Hillingdon CCG. Representatives of NHSE had been invited to attend the Select Committee meeting on 26 March 2020 to provide Members with an update but this meeting did not take place.
6. It is anticipated that all Members of the health scrutiny committees at the London Borough of Hillingdon and Hertfordshire County Council will be invited to attend a subsequent site visit which has yet to be arranged. Members should note that, given that there are a large number of Health Scrutiny Committees that may want to scrutinise proposals for the future of cancer services at Mount Vernon Cancer Centre, a Joint Health Overview and Scrutiny Committee (JHOSC) is likely to be established. The Committee will be kept apprised of any developments with regard to this issue.
7. Members have previously stated that they would like to hold a special meeting to specifically focus on the challenges faced by The Hillingdon Hospitals NHS Foundation Trust (THH). It is suggested that this issue be considered at the meeting on 8 October 2020. Although Members have previously requested that the meeting be preceded by a site visit to Hillingdon Hospital, this is not currently advisable.

Live Broadcasting of Meetings

8. It should be noted that Cabinet, at its meeting on 30 May 2019, agreed that all future policy overview and select committee meetings would be broadcast live on YouTube. As such, all formal External Services Select Committee meetings will be broadcast live. Where possible, these meetings have been moved into Committee Room 5 to facilitate better views of the meetings.
9. Although this meeting is being held virtually, it is being live streamed and recorded.

Reviews

10. As the meetings of the External Services Select Committee usually deal with a lot of business, the Committee is able to set up Select Panels to undertake in depth reviews on its behalf. These Panels are 'task and finish' and their membership can comprise any London Borough of Hillingdon Councillor, with the exception of Cabinet Members.

11. At its meeting on 18 December 2019, the Committee agreed the scoping report for its next review in relation to children's dental health. A Select Panel was set up to undertake this review. However, following changes made to Cabinet at Council on 16 January 2020, it should be noted that Councillor Jane Palmer has been replaced on the Select Panel by Councillor Ian Edwards.
12. Due to the COVID-19 pandemic, meetings of the Select Panel have been put on hold for the time being. It is hoped that these will resume in the near future.
