

MOTIONS

8.1 MOTION FROM COUNCILLOR SWEETING

That this Council recognises the sacrifice of all from this borough who died in the Great War and who are listed on the memorials and church plaques across the borough, by completing the Council's book of remembrance entitled "We Will Remember Them." This to be accomplished by including in that commemorative

book those men who died in that war and whose names are listed on the plaque in St Martin's Church West Drayton. This to be achieved by way of an addendum to the book of remembrance which would then be printed and publicised.

These local men, who fought and died for their country, have, up to now been forgotten by this Council as this plaque which records their names has been completely omitted from the only book published by Hillingdon Council to remember its war dead from the Great War.

We, the living, can correct that and make true the words, "Lest We Forget."

8.2 MOTION FROM COUNCILLOR CURLING

That this Council expresses its deep sorrow at the senseless killing of Tashan Daniel, who was stabbed to death in an unprovoked attack at Hillingdon Underground Station on 24 September 2019. Council notes that Tashan was a very talented young man, who was a keen athlete training regularly at Hillingdon Athletics Stadium with the aim of training for the Olympics. He was also a professional photographer, with a passion for football, athletics and photography.

That this Council also notes that the Tashan Daniel campaign is running a petition on Change.org to get the Hillingdon Athletics Stadium renamed "The Tashan Daniel Athletics Stadium" in his memory and as a lasting tribute and memorial.

Tashan was a much-loved young man, a much cherished friend to many and a well-respected member of the community, he was very much someone that Hillingdon should be very proud of. Council therefore agrees that the stadium should be renamed in memory of, and as a tribute to Tashan Daniel
