

QUESTIONS FROM MEMBERS

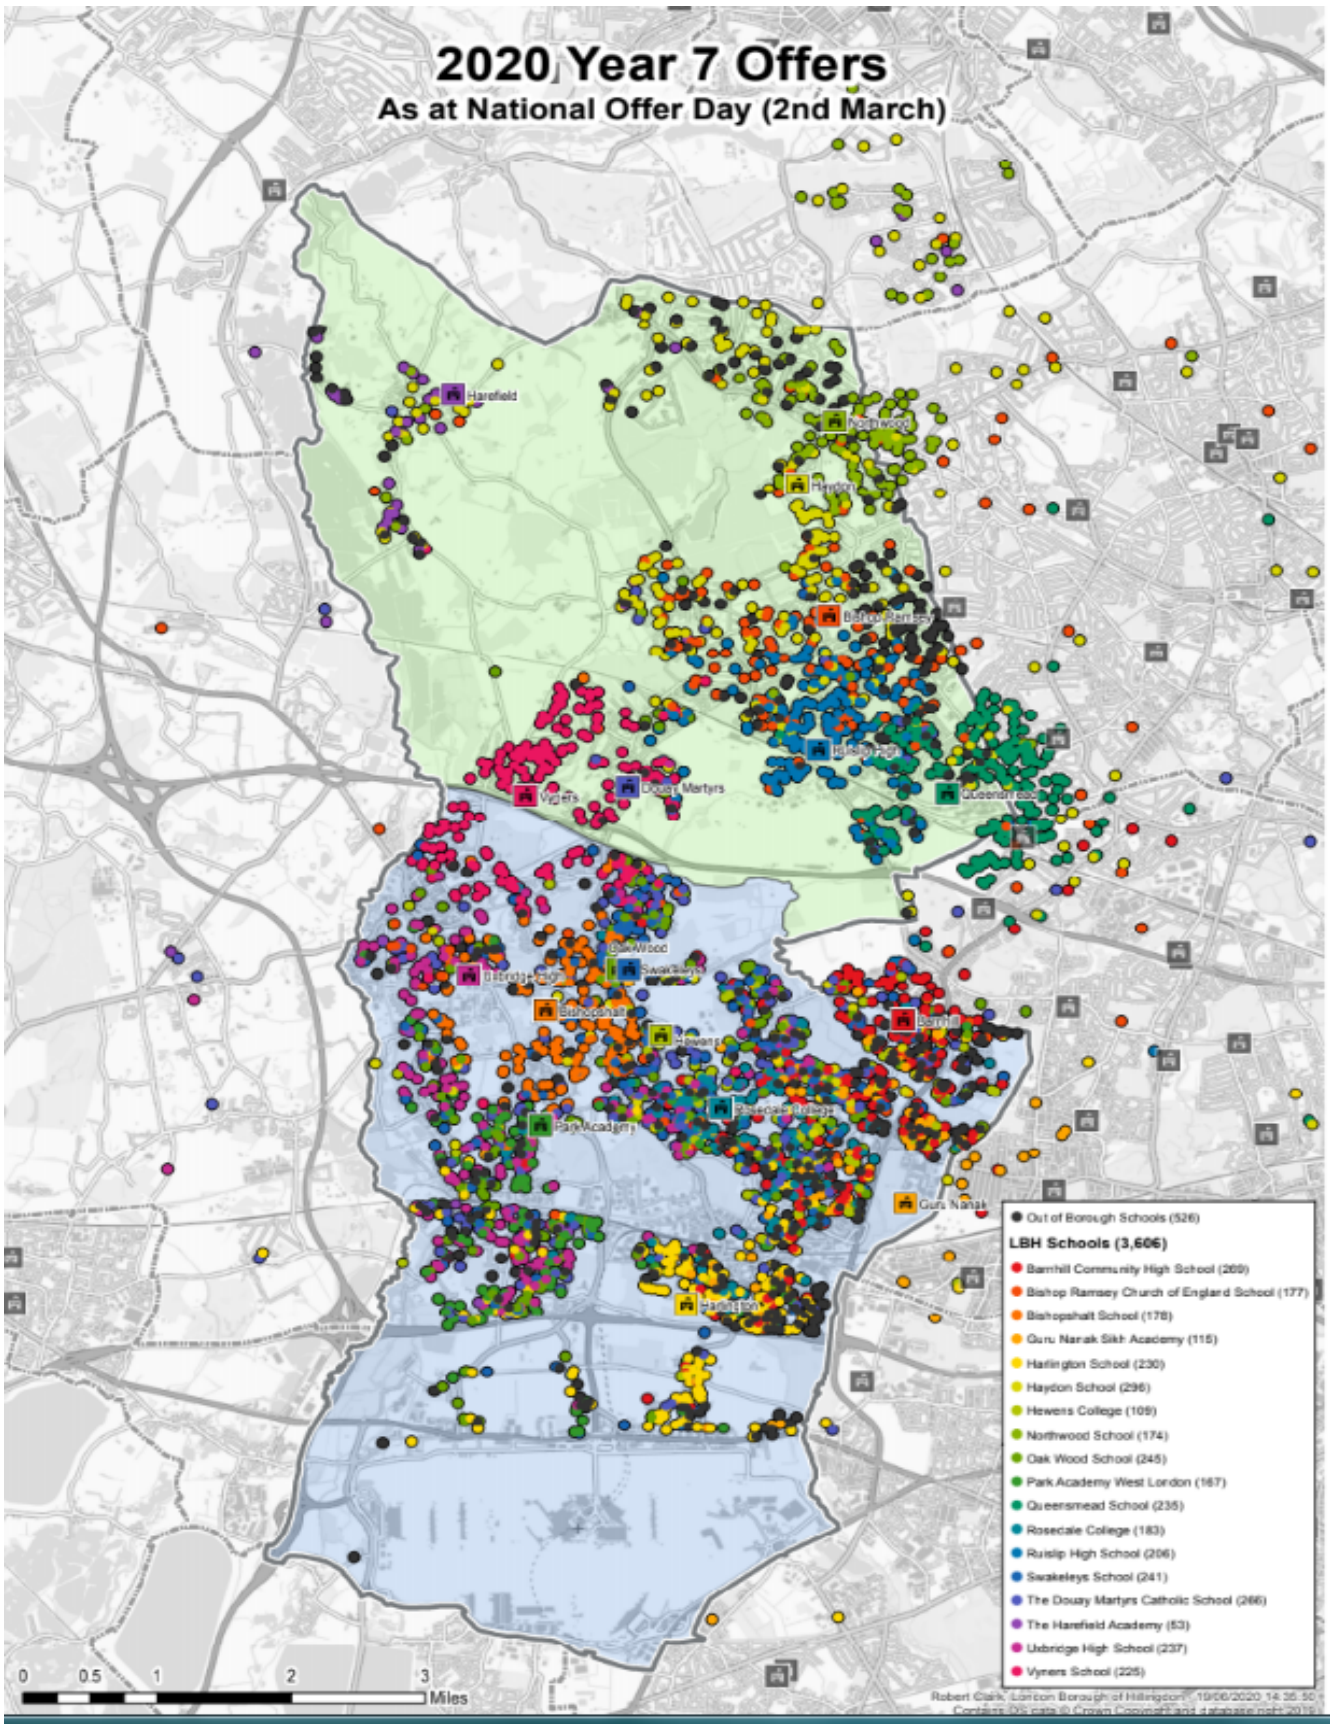

6.1 QUESTION SUBMITTED BY COUNCILLOR SWEETING TO THE CABINET MEMBER FOR EDUCATION, CHILDREN AND YOUTH SERVICES - COUNCILLOR O'BRIEN:

Why is the Council proposing to build the new secondary school in Ruislip when there is:

- A greater need for more secondary places in the south of the borough, which is the area which has far fewer and very limited unfilled YR 7 places in its schools compared to schools in the north of the borough.
- Where there is a greater child and overall population density, (as is evidenced by the attached map (from Residents, Education and Environmental Services Policy Overview Committee Meeting of 15 October 2020, agenda Item 9 entitled "Quarterly School Places Update")) showing YR7 offers to secondary schools in September 2020).
- Where there is currently an extremely limited choice for parents living in the south of the borough, which has necessitated the need for many parents applying for and gaining up to 7 Forms of Entry of places in out borough schools.
- Where the thousands of planned additional housing units are likely to increase the child population in the south of the borough even further, especially in the light of the increased housing density requirements of the recently adopted Hillingdon Local Plan Part 2 which is expected to bring forth more housing capacity to this area?
