<input checked="" type="checkbox"/> Prevention of Public Nuisance	The current opening times for use of the rear garden and closing at 21.00PM was established after constant mismanagement of the garden some years ago. Many complaints were made to the various landlords that have been in charge of the pub over the last 26 years. The garden changed use from a landlord's private garden to one that would be used by clients around 20 years ago (without consultation). This garden was then extremely large and engulfed the entire side and length of our property and Public Nuisance was experienced from the pub front and rear garden. We wanted to be reasonable neighbours and after discussions with Fullers area manager a compromised time of 21.00pm was agreed between us. Fullers did not have a Policy on dealing with neighbours issues then and I doubt they have one now. We do use and enjoy visiting the pub and the current landlord is a decent person but in our experience it is very difficult to manage noise levels, of large groups of people, in particular in the summer when we get nice days and evenings. We have cooperated with the pub on several occasions over the years by agreeing to live bands and larger events. We don't even mind exceeding of the 21.00pm time limit if it's a quiet couple of people but this has been abused in the past by previous landlords. We can tolerate the current use but any extension would be unreasonable and unbearable, obviously in normal times we also have airport noise and High Street traffic.
