Dear Ross

The application cites that the main focus is 'food and family oriented'. I therefore see no logical or acceptable reason that a premises in this location requires a NYE licence until 3am.

This will cause unnecessary anti social impacts on local residents in such a relatively built up suburban area. I would suggest that a late licence until 1am would be sufficient for celebrating any event at such a location.

Best regards

Scott

Subject: Fw: Representation regarding Coco's licensing application

Hi Clare

I also have grave concerns regarding this application, for all the reasons that the Rev. Lynes has given. I feel that this is not an appropriate location for this type of establishment and would like to include my objections to this application. Could you please pass this on to the Licensing department.

Many Thanks
Regards
Carol
