

**Hillingdon Pension Fund
Outline audit planning
report**

Year ended 31 March 2021

8 March 2021

Private and Confidential
London Borough of Hillingdon
Hillingdon Civic Centre
225-226 High St,
Uxbridge UB8 1UW

8 March 2021

Dear Audit Committee and Pensions Committee Members

Outline audit planning report

We are pleased to attach our outline audit planning report for the forthcoming meetings of the Audit Committee and of the Pensions Committee. The purpose of this report is to provide the Committees with a basis to review our proposed audit approach and scope for the 2020/21 audit, in accordance with the requirements of the auditing standards and other professional requirements, but also to ensure that our audit is aligned with the Audit Committee's service expectations.

This report summarises our initial assessment of the key issues which drive the development of an effective audit for Hillingdon Pension Fund. We have aligned our audit approach and scope with these. We held a planning meeting with management and are currently completing our planning procedures. We will update the Audit Committee if we identify any further risks.

This report is intended solely for the information and use of the Audit Committee, Pensions Committee and management, and is not intended to be and should not be used by anyone other than these specified parties.

We welcome the opportunity to discuss this report with you on 24 March 2021 and 30 March 2021, respectively, as well as understand whether there are other matters which you consider may influence our audit.

Yours faithfully,

Suresh Patel

Associate Partner

For and on behalf of Ernst & Young LLP

Contents

In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued the "Statement of responsibilities of auditors and audited bodies". It is available from the via the PSAA website (www.PSAA.co.uk). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment (updated April 2018)" issued by the PSAA sets out additional requirements with which auditors must comply, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the Audit Committee, the Pensions Committee and management of Hillingdon Pension Fund in accordance with the statement of responsibilities. Our work has been undertaken so that we can state to the Audit Committee, the Pensions Committee, and management of Hillingdon Pension Fund, those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Audit Committee, the Pensions Committees and management of Hillingdon Pension Fund for this report or for the opinions we have formed. It should not be provided to any third party without our prior written consent.

01

Overview of our 2020/21 audit strategy

Overview of our 2020/21 audit strategy

The following 'dashboard' summarises the significant accounting and auditing matters outlined in this report. It seeks to provide the Audit Committee and the Pensions Committee with an overview of our initial risk identification for the upcoming audit and any changes in risks identified in the current year.

Risk/area of focus	Risk identified	Change from PY	Details
Misstatement due to fraud or error	Fraud risk	No change in risk or focus	There is a risk that the financial statements as a whole are not free from material misstatement whether caused by fraud or error. We perform mandatory procedures regardless of specifically identified fraud risks.
Misstatement of investment amounts through fraudulent journal entries	Fraud risk	No change in risk or focus	There is a risk that, due to fraud or error, investment journals posted into the general ledger are incorrect.
Risk of Incorrect Valuation of Unquoted Investments	Significant risk	No change in risk or focus	Based on initial planning work on the Pension Fund and discussions with management we note that the Pension Fund holds a significant balance of unquoted investments, including Private Equity and Pooled Property funds. By their nature, these investments are more difficult to value because their valuation includes an element of judgement, which increases the risk of misstatement. This is even more uncertain in the context of Covid-19.
Disclosures on Going Concern	Other area of audit focus	No change in risk or focus	The unpredictability of the current environment gives rise to a risk that the Pension Fund would not appropriately disclose the key factors relating to going concern, underpinned by a management assessment with particular reference to Covid-19 and the Pension Fund's actual year end financial position and performance for the going concern period of 12 months after the auditor's report date.

Materiality

Planning materiality

£9.9m

Our planning materiality represents 1% of the prior year's net assets, consistent year on year.

Performance materiality

£7.4m

We have set performance materiality has been set at £7.4m, which represents 75% of materiality.

Audit differences

£0.5m

We will report all uncorrected misstatements relating to the primary statements (net asset statement and fund account) greater than £0.5m. We will communicate other misstatements to the extent that they merit the attention of the Audit Committee.

Overview of our 2020/21 audit strategy

Audit scope

This Outline Audit Plan covers the work that we plan to perform to provide you with audit opinion on whether the financial statements of Hillingdon Pension Fund give a true and fair view of the financial position as at 31 March 2021 and of the income and expenditure for the year then ended.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- Strategic, operational and financial risks relevant to the financial statements;
- Developments in financial reporting and auditing standards;
- The quality of systems and processes;
- Changes in the business and regulatory environment; and
- Management's views on all of the above.

By considering these inputs, our audit is focused on the areas that matter and our feedback is more likely to be relevant to the Pension Fund.

In addition to the above, we also perform procedures in relation to the IAS 19 report for London Borough of Hillingdon. Our work specifically focuses on gaining assurance that the data submitted to the actuary agrees to the Pension Fund's systems.

Timeline

At the time of drafting this Outline Audit Plan, MHCLG were consulting on changing the date for the Fund to publish its draft accounts to 1 August 2021. However, MHCLG has not yet outlined how that change impacts the target date for the Fund to publish its approved and audited accounts. In their response to the Redmond Review, MHCLG indicated that for 2020/21 that target date would be 30 September 2021.

In Section 06 we therefore include a provisional timeline for the audit but this will be subject to change depending on MHCLG's communications on target dates for publishing the accounts.

Fees

We remain in discussion with PSAA about our proposed increase to the scale fee which we consider to be appropriate to deliver a Code compliant audit. We include in Section 08, our current view of the fees required to carry out the 2020/21 audit. We will update the Committee on any determinations by PSAA on fees.

Overview of our 2020/21 audit strategy

Audit scope

This Outline Audit Plan covers the work that we plan to perform to provide you with:

- Our audit opinion on whether the financial statements of Hillingdon Pension Fund give a true and fair view of the financial position as at 31 March 2021 and of the income and expenditure for the year then ended.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- Strategic, operational and financial risks relevant to the financial statements;
- Developments in financial reporting and auditing standards;
- The quality of systems and processes;
- Changes in the business and regulatory environment; and,
- Management's views on all of the above.

By considering these inputs, our audit is focused on the areas that matter and our feedback is more likely to be relevant to the Pension Fund.

In addition to the above, we also perform procedures in relation to the IAS 19 report for London Borough of Hillingdon audit purposes. Our work specifically focuses on gaining assurance that the data submitted to the actuary agrees to the Pension Fund's systems.

Taking the above into account, and as articulated in this outline audit plan, our professional responsibilities require us to independently assess the risks of providing an audit opinion and undertake appropriate procedures in response to that. Our Terms of Appointment with Public Sector Audit Appointments (PSAA) allow auditors to vary the fee dependent on 'the auditors assessment of risk and the work needed to meet their professional responsibilities'. PSAA are aware that the setting of scale fees has not kept up to date with the changing requirements of external audit with increased focus on, for example, pension obligations and management judgements. Therefore, to the extent any of these are relevant in the context of Hillingdon Pension Fund's audit we will discuss with management as to the impact on the scale fee.

02

Audit risks

Audit risks

Our response to significant risks

We have set out the significant risks (including fraud risks denoted by*) identified for the current year audit along with the rationale and expected audit approach. The risks identified below may change to reflect any significant findings or subsequent issues we identify during the audit.

Misstatements due to fraud or error*

What is the risk?

As identified in ISA (UK) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

As a result, there is a risk that the financial statements as a whole are not free of material misstatements whether caused by fraud or error.

What will we do?

- ▶ Identify fraud risks during the planning stages.
- ▶ Inquire of management about risks of fraud and the controls put in place to address those risks.
- ▶ Understand the oversight given by those charged with governance of management's processes over fraud.
- ▶ Consider the effectiveness of management's controls designed to address the risk of fraud.
- ▶ Determine an appropriate strategy to address those identified risks of fraud.
- ▶ Perform mandatory procedures regardless of specifically identified fraud risks, including testing of journal entries and other adjustments in the preparation of the financial statements.

Misstatement of investment amounts through fraudulent journal entries

What is the risk?

We identified a specific risk that, due to fraud or error, investment journals posted into the general ledger are incorrect, which could result in a misstatement of year-end investment value and/or investment income.

What will we do?

- Our approach will focus on testing the appropriateness of manual journal entries recorded in the general ledger related to investments and ensuring that:
- ▶ The amounts are consistent with the fund manager/custodian report;
 - ▶ Appropriate authorisations are obtained for posting the journals; and
 - ▶ The transactions are in the normal course of business or, if they are outside of the normal course, the business rationale will be requested and assessed for reasonableness.

Audit risks

Our response to significant risks (continued)

Risk of Incorrect Valuation of Unquoted Investments

Financial statement impact

We have assessed that the risk of incorrectly valuing investments is high for level 3 investments held by the pension fund.

Total of level 3 investments held by the Fund at 31 March 2020: £275m (31 March 2019: £116 million).

What is the risk?

The Fund's investments include unquoted pooled investment vehicles, such as private equity and pooled property investments.

The fund makes judgements using information provided by investment managers to value those investments whose prices are not publically available. The material nature of these investments means that any error in judgement could result in a material valuation error.

Market volatility and uncertainties brought by Covid-19 means such judgments can quickly become outdated, especially when there is a significant time period between the latest available audited information and the fund year end. Such variations could have a material impact on the financial statements.

These investment types made up 28% of the fund's total net assets in 2019/20 (2018/19: 11%), and as these investments are more complex to value, we have assessed the valuation of these investments as higher risk, as even a small movement in the assumptions could have a material impact on the financial statements.

What will we do?

We will:

- ▶ Assess the competence of management experts;
- ▶ Review the basis of valuation for property investments and other unquoted investments, assessing the appropriateness of the valuation methods used;
- ▶ Where available, review the latest audited accounts for the relevant investment managers and ensuring there are no matters arising that highlight weaknesses in the Fund's valuation; and
- ▶ Perform analytical procedures by checking the valuation output for reasonableness against our own expectations.

Audit risks

Other areas of audit focus (continued)

What is the risk/area of focus?

Going concern disclosure

There is a presumption that the Fund will continue as a going concern for the foreseeable future. However, the Fund is required to carry out a going concern assessment that is proportionate to the risks it faces. In light of the continued impact of Covid-19 on its admitted and scheduled bodies and the continuing volatility in capital markets, there is a need for the Fund to ensure its going concern assessment, including its cashflow forecast, is thorough and appropriately comprehensive.

The Fund is then required to ensure that its going concern disclosure within the statement of accounts adequately reflects its going concern assessment and in particular highlights any uncertainties it has identified.

In addition, the auditing standard in relation to going concern (ISA570) has been revised with effect for the 2020/21 accounts audit.

What will we do?

We will meet the requirements of the revised auditing standard on going concern (ISA 570) and consider the adequacy of the Fund's going concern assessment and its disclosure in the accounts by:

- Challenging management's identification of events or conditions impacting going concern.
- Testing management's resulting assessment of going concern by evaluating supporting evidence (including consideration of the risk of management bias).
- Reviewing the Fund's cashflow forecast covering the foreseeable future, to ensure that it has sufficient liquidity to continue to operate as a going concern.
- Undertaking a 'stand back' review to consider all of the evidence obtained, whether corroborative or contradictory, when we draw our conclusions on going concern.
- Challenging the disclosure made in the accounts in respect of going concern and any material uncertainties.

We will discuss the detailed implications of the revised auditing standard with finance staff shortly and seek to agree with management to receive an early draft of the Fund's going concern assessment in advance of the 2020/21 year-end audit in order to provide management with feedback on the adequacy and sufficiency of the proposed disclosures in relation to going concern.

03

Audit materiality

Materiality

Materiality

For planning purposes, we have set planning materiality for 2020/21 at £9.9m. This represents 1% of the Pension Fund's prior year net assets. It will be reassessed throughout the audit process. We have provided supplemental information about audit materiality in Appendix C.

We request that the Audit Committee confirm their understanding of, and agreement to, these materiality and reporting levels.

Key definitions

Planning materiality - the amount over which we anticipate misstatements would influence the economic decisions of a user of the financial statements.

Performance materiality - the amount we use to determine the extent of our audit procedures. We have set performance materiality at 75% of planning materiality, consistent year on year.

Audit difference threshold - we propose that misstatements identified below this threshold are deemed clearly trivial. We will report to you all uncorrected misstatements over this amount relating to the fund account and net asset statement. This was calculated as 5% of planning materiality, which is consistent year on year.

Other uncorrected misstatements, such as reclassifications and misstatements in the disclosures, and corrected misstatements will be communicated to the extent that they merit the attention of the Audit Committee, or are important from a qualitative perspective.

04

Scope of our audit

Scope of our audit

Objective and Scope of our Audit scoping

Under the Code of Audit Practice our principal objectives are to review and report on the Pension Fund's financial statements to the extent required by the relevant legislation and the requirements of the Code. We issue an audit report that covers:

Financial statement audit

Our objective is to form an opinion on the financial statements under International Standards on Auditing (UK and Ireland). We also perform other procedures as required by auditing, ethical and independence standards, the Code and other regulations. We outline below the procedures we will undertake during the course of our audit.

Procedures required by standards

- Addressing the risk of fraud and error; Significant disclosures included in the financial statements; Entity-wide controls;
- Reading other information contained in the financial statements and reporting whether it is inconsistent with our understanding and the financial statements; and Auditor independence.

Procedures required by the Code

- Reviewing, and reporting on as appropriate, other information published with the financial statements.

Audit Process Overview

Our audit involves:

- ▶ Identifying and understanding the key processes and internal controls; and
- ▶ Substantive tests of detail of transactions and amounts.

For 2020/21 we plan to follow a substantive approach to the audit, as we have concluded this is the most efficient way to obtain the level of audit assurance required to conclude that the financial statements are not materially misstated.

Analytics:

We will use our analytics tools to enable us to capture whole populations of your financial data, in particular journal entries. These tools:

- ▶ Help identify specific exceptions and anomalies which can then be subject to more traditional substantive audit tests; and
- ▶ Give greater likelihood of identifying errors than random sampling techniques.

We will report the findings from our process and analytics work, including any significant weaknesses or inefficiencies identified and recommendations for improvement, to the Audit Committee, the Pensions Committee and management.

Internal audit:

We will meet regularly with the Head of Business Assurance and Counter-Fraud, and review internal audit plans and the results of the team's work. We will reflect any findings in our audit plan, where they raise issues that could have an impact on the financial statements.

06

Indicative audit timeline

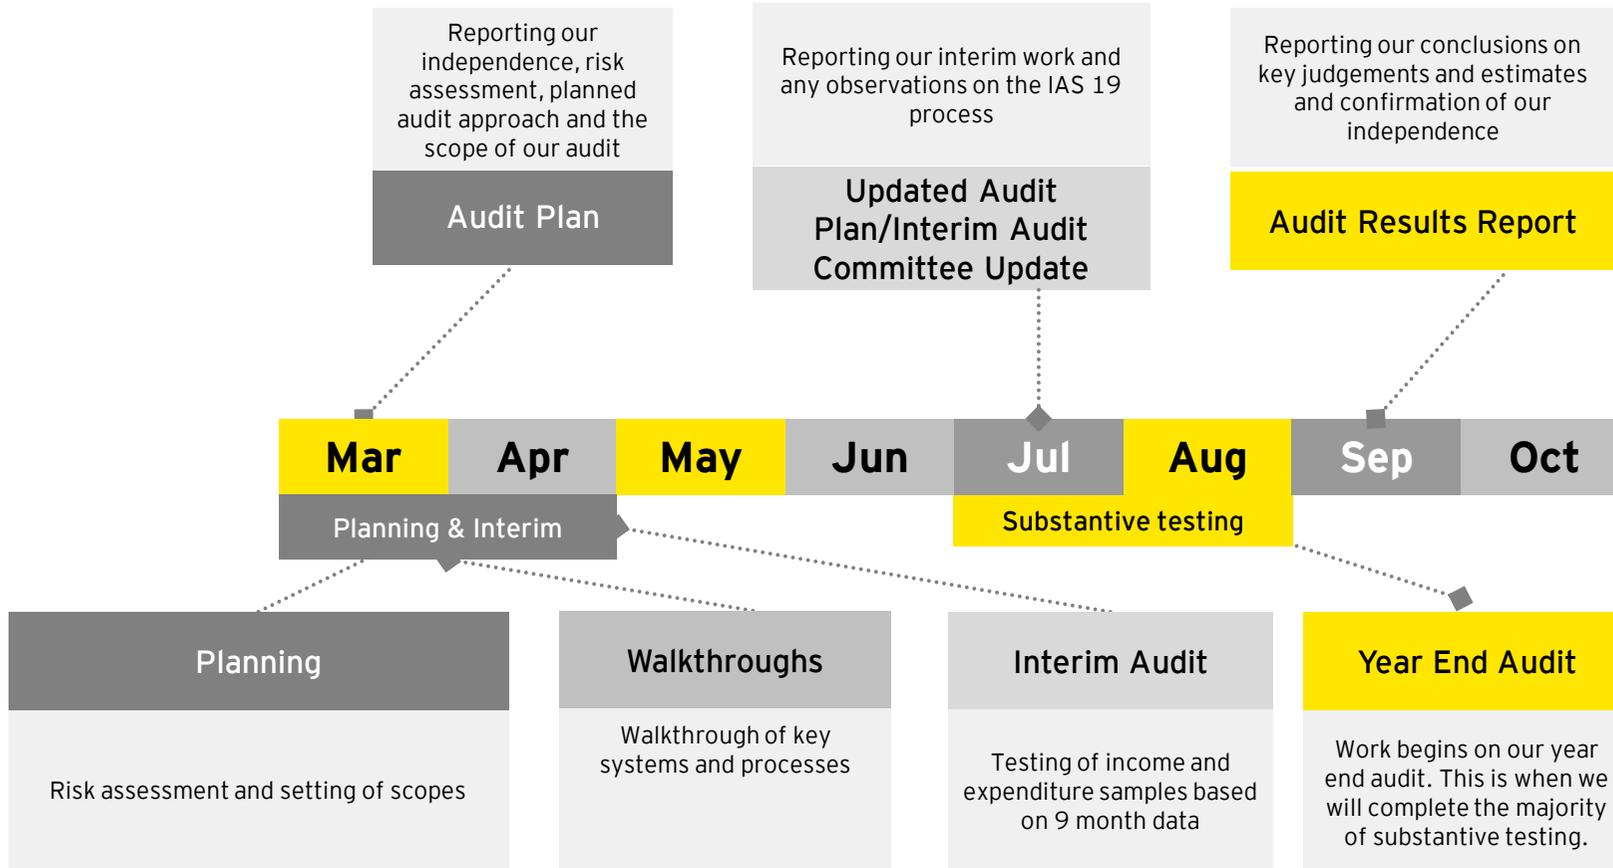

Indicative audit timeline

Indicative timetable of communication and deliverables

Indicative timeline

Below is an indicative timetable showing the key stages of the audit and the deliverables to provide to you through the audit cycle in 2020/21. The timeline will be agreed with the officers at the earliest convenience.

From time to time matters may arise that require immediate communication with the Audit Committee and we will discuss them with the Audit and Pensions Committee Chairs, as appropriate. We will also provide updates on corporate governance and regulatory matters as necessary.

07

Independence

Introduction

The FRC Ethical Standard and ISA (UK) 260 “Communication of audit matters with those charged with governance”, requires us to communicate with you on a timely basis on all significant facts and matters that bear upon our integrity, objectivity and independence. The Ethical Standard, as revised in December 2019, requires that we communicate formally both at the planning stage and at the conclusion of the audit, as well as during the course of the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

Required communications

Planning stage	Final stage
<ul style="list-style-type: none"> ▶ The principal threats, if any, to objectivity and independence identified by Ernst & Young (EY) including consideration of all relationships between you, your affiliates and directors and us; ▶ The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality review; ▶ The overall assessment of threats and safeguards; ▶ Information about the general policies and process within EY to maintain objectivity and independence. 	<ul style="list-style-type: none"> ▶ In order for you to assess the integrity, objectivity and independence of the firm and each covered person, we are required to provide a written disclosure of relationships (including the provision of non-audit services) that may bear on our integrity, objectivity and independence. This is required to have regard to relationships with the entity, its directors and senior management, its affiliates, and its connected parties and the threats to integrity or objectivity, including those that could compromise independence that these create. We are also required to disclose any safeguards that we have put in place and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed; ▶ Details of non-audit/additional services provided and the fees charged in relation thereto; ▶ Written confirmation that the firm and each covered person is independent and, if applicable, that any non-EY firms used in the group audit or external experts used have confirmed their independence to us; ▶ Details of any non-audit/additional services to a UK PIE audit client where there are differences of professional opinion concerning the engagement between the Ethics Partner and Engagement Partner and where the final conclusion differs from the professional opinion of the Ethics Partner ▶ Details of any inconsistencies between FRC Ethical Standard and your policy for the supply of non-audit services by EY and any apparent breach of that policy; ▶ Details of all breaches of the IESBA Code of Ethics, the FRC Ethical Standard and professional standards, and of any safeguards applied and actions taken by EY to address any threats to independence; and ▶ An opportunity to discuss auditor independence issues.

In addition, during the course of the audit, we are required to communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of safeguards put in place, for example, when accepting an engagement to provide non-audit services.

We ensure that the total amount of fees that EY and our network firms have charged to you and your affiliates for the provision of services during the reporting period, analysed in appropriate categories, are disclosed.

Relationships, services and related threats and safeguards

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including the principal threats, if any. We have adopted the safeguards noted below to mitigate these threats along with the reasons why they are considered to be effective. However we will only perform non-audit services if the service has been pre-approved in accordance with your policy.

Overall Assessment

Overall, we consider that the safeguards that have been adopted appropriately mitigate the principal threats identified and we therefore confirm that EY is independent and the objectivity and independence of Suresh Patel, your audit engagement partner, and the audit engagement team have not been compromised.

Self interest threats

A self interest threat arises when EY has financial or other interests in the Council. Examples include where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with you. At the time of writing, there are no long outstanding fees.

We believe that it is appropriate for us to undertake those permitted non-audit/additional services set out in Section 5.40 of the FRC Ethical Standard 2019 (FRC ES), and we will comply with the policies that you have approved

When the ratio of non-audit fees to audit fees exceeds 1:1, we are required to discuss this with our Ethics Partner, as set out by the FRC ES, and if necessary agree additional safeguards or not accept the non-audit engagement. We will also discuss this with you.

A self interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to you. We confirm that no member of our audit engagement team, including those from other service lines, has objectives or is rewarded in relation to sales to you, in compliance with Ethical Standard part 4.

There are no other self interest threats at the date of this report

Self review threats

Self review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements.

There are no self review threats at the date of this report.

Management threats

Partners and employees of EY are prohibited from taking decisions on behalf of management of the Fund. Management threats may also arise during the provision of a non-audit service in relation to which management is required to make judgements or decision based on that work.

There are no management threats at the date of this report.

Relationships, services and related threats and safeguards

Other threats

Other threats, such as advocacy, familiarity or intimidation, may arise.
There are no other threats at the date of this report.

Other communications

EY Transparency Report 2020

Ernst & Young (EY) has policies and procedures that instil professional values as part of firm culture and ensure that the highest standards of objectivity, independence and integrity are maintained.

Details of the key policies and processes in place within EY for maintaining objectivity and independence can be found in our annual Transparency Report which the firm is required to publish by law. The most recent version of this Report is for the year ended 1 July 2020 and can be found here:

<https://www.ey.com/uk/en/about-us/ey-uk-transparency-report-2020>

08

Appendices

Appendix A

Fees

The duty to prescribe fees is a statutory function delegated to Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Communities and Local Government. PSAA has published a scale fee for all relevant bodies. This is defined as the fee required by auditors to meet statutory responsibilities under the Local Audit and Accountability Act 2014 in accordance with the NAO Code, the financial reporting requirements set out in the Code of Practice on Local Fund Accounting published by CIPFA/LASAAC, and the professional standards applicable to auditors' work.

	Planned fee 2020/21	Final Fee 2019/20
	£	£
Scale Fee - Code work (Note 1)	16,170	16,170
Additional work and associated fees (Note 2)		
Significant risks on investments	1,500-2,500	1,742
Restated membership numbers	-	894
Going concern, property material uncertainty and PBSE assessments and disclosures including EY consultations*	2,500-5,000	5,500
IAS19 assurances (Note 3)	5,000	5,000
Triennial membership data testing	-	4,000
Total fees	TBC	33,306

Notes:

1. We remain in discussion with PSAA about increasing the scale fee to reflect the additional work auditors are required to do to meet regulatory requirements. In our view the scale fee for the Hillingdon PF audit should be increased by £28,290.
2. The 2019/20 additional fees have been agreed with management but are subject to PSAA approval.
3. IAS19 work is annual to provide assurance to the auditor of the LB Hillingdon. These additional fees are not subject to approval from PSAA and for 2019/20 (where there was additional work on the triennial data) we have agreed fees with management.

All fees exclude VAT

The agreed fee presented is based on the following assumptions:

- ▶ Officers meeting the agreed timetable of deliverables;
- ▶ Our accounts opinion being unqualified;
- ▶ Appropriate quality of documentation is provided by the Pension Fund; and
- ▶ The Pension Fund has an effective control environment.

If any of the above assumptions prove to be unfounded, we will seek a variation to the agreed fee. This will be discussed with the Pension Fund in advance.

Appendix B

Required communications with the Audit Committee

We have detailed the communications that we must provide to the audit committee.

		 Our Reporting to you
Required communications	 What is reported?	 When and where
Terms of engagement	Confirmation by the audit committee of acceptance of terms of engagement as written in the engagement letter signed by both parties.	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Our responsibilities	Reminder of our responsibilities as set out in the engagement letter	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Planning and audit approach	Communication of the planned scope and timing of the audit, any limitations and the significant risks identified. When communicating key audit matters this includes the most significant risks of material misstatement (whether or not due to fraud) including those that have the greatest effect on the overall audit strategy, the allocation of resources in the audit and directing the efforts of the engagement team	Outline audit planning report - March 2021
Significant findings from the audit	<ul style="list-style-type: none"> ▶ Our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures ▶ Significant difficulties, if any, encountered during the audit ▶ Significant matters, if any, arising from the audit that were discussed with management ▶ Written representations that we are seeking ▶ Expected modifications to the audit report ▶ Other matters if any, significant to the oversight of the financial reporting process ▶ Findings and issues regarding the opening balance on initial audits (delete if not an initial audit) 	Audit results report - September 2021 (TBC)

Appendix B

Required communications with the Audit Committee (continued)

		 Our Reporting to you
Required communications	 What is reported?	  When and where
Going concern	<p>Events or conditions identified that may cast significant doubt on the entity's ability to continue as a going concern, including:</p> <ul style="list-style-type: none"> ▶ Whether the events or conditions constitute a material uncertainty ▶ Whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements ▶ The adequacy of related disclosures in the financial statements 	Audit results report - September 2021 (TBC)
Misstatements	<ul style="list-style-type: none"> ▶ Uncorrected misstatements and their effect on our audit opinion, unless prohibited by law or regulation ▶ The effect of uncorrected misstatements related to prior periods ▶ A request that any uncorrected misstatement be corrected ▶ Material misstatements corrected by management 	Audit results report - September 2021 (TBC)
Subsequent events	<ul style="list-style-type: none"> ▶ Enquiries of the audit committee where appropriate regarding whether any subsequent events have occurred that might affect the financial statements 	Audit results report - September 2021 (TBC)
Fraud	<ul style="list-style-type: none"> ▶ Enquiries of the audit committee to determine whether they have knowledge of any actual, suspected or alleged fraud affecting the entity ▶ Any fraud that we have identified or information we have obtained that indicates that a fraud may exist ▶ Unless all of those charged with governance are involved in managing the entity, any identified or suspected fraud involving: <ol style="list-style-type: none"> a. Management; b. Employees who have significant roles in internal control; or c. Others where the fraud results in a material misstatement in the financial statements ▶ The nature, timing and extent of audit procedures necessary to complete the audit when fraud involving management is suspected ▶ Any other matters related to fraud, relevant to Audit Committee responsibility 	Audit results report - September 2021 (TBC)

Appendix B

Required communications with the Audit Committee (continued)

		Our Reporting to you
Required communications	 What is reported?	  When and where
Related parties	<ul style="list-style-type: none"> ▶ Significant matters arising during the audit in connection with the entity's related parties including, when applicable ▶ Non-disclosure by management ▶ Inappropriate authorisation and approval of transactions ▶ Disagreement over disclosures ▶ Non-compliance with laws and regulations ▶ Difficulty in identifying the party that ultimately controls the entity 	Audit results report - September 2021 (TBC)
Independence	<p>Communication of all significant facts and matters that bear on EY's, and all individuals involved in the audit, objectivity and independence</p> <p>Communication of key elements of the audit engagement partner's consideration of independence and objectivity such as:</p> <ul style="list-style-type: none"> ▶ The principal threats ▶ Safeguards adopted and their effectiveness ▶ An overall assessment of threats and safeguards ▶ Information about the general policies and process within the firm to maintain objectivity and independence <p>Communication whenever significant judgements are made about threats to objectivity and independence and the appropriateness of safeguards put in place.</p> <p>For public interest entities and listed companies, communication of minimum requirements as detailed in the FRC Revised Ethical Standard 2019:</p> <ul style="list-style-type: none"> ▶ Relationships between EY, the company and senior management, its affiliates and its connected parties ▶ Services provided by EY that may reasonably bear on the auditors' objectivity and independence ▶ Related safeguards ▶ Fees charged by EY analysed into appropriate categories such as statutory audit fees, tax advisory fees, other non-audit service fees 	<p>Outline audit planning report - March 2021</p> <p>Audit results report - September 2021 (TBC)</p>

Appendix B

Required communications with the Audit Committee (continued)

		Our Reporting to you
Required communications	 What is reported?	  When and where
	<ul style="list-style-type: none"> ▶ A statement of compliance with the Ethical Standard, including any non-EY firms or external experts used in the audit ▶ Details of any inconsistencies between the Ethical Standard and Group's policy for the provision of non-audit services, and any apparent breach of that policy ▶ Where EY has determined it is appropriate to apply more restrictive rules than permitted under the Ethical Standard ▶ The audit committee should also be provided an opportunity to discuss matters affecting auditor independence 	
External confirmations	<ul style="list-style-type: none"> ▶ Management's refusal for us to request confirmations ▶ Inability to obtain relevant and reliable audit evidence from other procedures 	Audit results report - September 2021 (TBC)
Consideration of laws and regulations	<ul style="list-style-type: none"> ▶ Subject to compliance with applicable regulations, matters involving identified or suspected non-compliance with laws and regulations, other than those which are clearly inconsequential and the implications thereof. Instances of suspected non-compliance may also include those that are brought to our attention that are expected to occur imminently or for which there is reason to believe that they may occur ▶ Enquiry of the audit committee into possible instances of non-compliance with laws and regulations that may have a material effect on the financial statements and that the audit committee may be aware of 	Audit results report - September 2021 (TBC)
Internal controls	<ul style="list-style-type: none"> ▶ Significant deficiencies in internal controls identified during the audit 	Audit results report - September 2021 (TBC)
Representations	Written representations we are requesting from management and/or those charged with governance	Audit results report - September 2021 (TBC)
Material inconsistencies and misstatements	Material inconsistencies or misstatements of fact identified in other information which management has refused to revise	Audit results report - September 2021 (TBC)
Auditors report	Any circumstances identified that affect the form and content of our auditor's report	Audit results report - September 2021 (TBC)

Additional audit information

Other required procedures during the course of the audit

In addition to the key areas of audit focus outlined in section 2, we have to perform other procedures as required by auditing, ethical and independence standards and other regulations. We outline the procedures below that we will undertake during the course of our audit.

Our responsibilities required by auditing standards

- ▶ Identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- ▶ Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- ▶ Evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Concluding on the appropriateness of management's use of the going concern basis of accounting.
- ▶ Evaluating the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ▶ Obtaining sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Council to express an opinion on the consolidated financial statements. Reading other information contained in the financial statements, including the board's statement that the annual report is fair, balanced and understandable, the Audit Committee reporting appropriately addresses matters communicated by us to the Committee and reporting whether it is materially inconsistent with our understanding and the financial statements; and Maintaining auditor independence.

Purpose and evaluation of materiality

For the purposes of determining whether the accounts are free from material error, we define materiality as the magnitude of an omission or misstatement that, individually or in the aggregate, in light of the surrounding circumstances, could reasonably be expected to influence the economic decisions of the users of the financial statements. Our evaluation of it requires professional judgement and necessarily takes into account qualitative as well as quantitative considerations implicit in the definition. We would be happy to discuss with you your expectations regarding our detection of misstatements in the financial statements.

Materiality determines the locations at which we conduct audit procedures to support the opinion given on the financial statements; and the level of work performed on individual account balances and financial statement disclosures.

The amount we consider material at the end of the audit may differ from our initial determination. At this stage, however, it is not feasible to anticipate all of the circumstances that may ultimately influence our judgement about materiality. At the end of the audit we will form our final opinion by reference to all matters that could be significant to users of the accounts, including the total effect of the audit misstatements we identify, and our evaluation of materiality at that date.
