HEADLINES

At the last meeting of the Committee it was agreed that the next major review of the Environment, Housing & Regeneration Select Committee would focus on the topic of 'how to improve feedback from residents of social housing'. Reference was also made to the use of the Better Neighbourhood Fund to improve estates. Officers have produced a draft scoping report for the Committee's consideration.

It is envisaged that there will be two witness sessions, with a suggested schedule set out in the attached scoping report and on the Committee's Multi-Year Work Programme.
