Hi

Please see below from the chair of the residents association.

The residents feel that this will be detrimental to the local residents. Trimex sits above 2 storeys of flats as well as houses on the Highstreet, flats opposite on Providence court and houses on providence lane.

There will be no benefit to the local area to extend the hours. As we are close to Heathrow Airport we do have the potential to attract many persons out of usual hours in any case.

Resident also mentioned that this place already attracts a lot of persons drinking and congregating directly outside of the shop and that this would exacerbate the situation.

regards

Peter

**Reply-To:**

Good afternoon Peter

Its one of the shops along the high street isnt it my only comment would be I dont think we would want people outside the shop drinking at that time of the morning.

Personally 2am is way too late I feel, Providence Court opposite and the long suffering Providence Lane residents are both very near the shop. I dont know there present opening hours but I think thats too late in my humble opinion.

Kind regards

Sue Whitaker
