### HEADLINES

To monitor the Cabinet's latest Forward Plan which sets out key decisions and other decisions to be taken by the Cabinet collectively and Cabinet Members individually over the coming year. The report sets out the actions available to the Committee.

### RECOMMENDATION

**That the Corporate, Finance and Property Select Committee notes the Cabinet Forward Plan.**

### SUPPORTING INFORMATION

The Cabinet Forward Plan is published monthly, usually around the first or second week of each month. It is a rolling document giving the required public notice of future key decisions to be taken. Should a later edition of the Forward Plan be published after this agenda has been circulated, Democratic Services will update the Committee on any new items or changes at the meeting.

As part of its Terms of Reference, each Select Committee should consider the Forward Plan and, if it deems necessary, comment as appropriate to the decision-maker on the items listed which relate to services within its remit. For reference, the Forward Plan helpfully details which Select Committee's remit covers the relevant future decision item listed.

The Select Committee's monitoring role of the Forward Plan can be undertaken in a variety of ways, including both pre-decision and post-decision scrutiny of the items listed. The provision of advance information on future items listed (potentially also draft reports) to the Committee in advance will often depend upon a variety of factors including timing or feasibility, and ultimately any such request would rest with the relevant Cabinet Member to decide. However, the 2019 Protocol on Overview & Scrutiny and Cabinet Relations (part of the Hillingdon Constitution) does provide guidance to Cabinet Members to:

- Actively support the provision of relevant Council information and other requests from the Committee as part of their work programme;
- Where feasible, provide opportunities for committees to provide their input on forthcoming executive reports as set out in the Forward Plan to enable wider pre-decision scrutiny (in addition to those statutorily required to come before committees, *i.e. policy framework documents – see para. below*).

As mentioned above, there is both a constitutional and statutory requirement for Select Committees to provide comments on the Cabinet's draft budget and policy framework proposals

after publication. These are automatically scheduled in advance to multi-year work programmes.

Therefore, in general, the Committee may consider the following actions on specific items listed on the Forward Plan:

	<b>Committee action</b>	<b>When</b>	<b>How</b>
<b>1</b>	<b>To provide specific comments to be included in a future Cabinet or Cabinet Member report on matters within its remit.</b>	<p>As part of its pre-decision scrutiny role, this would be where the Committee wishes to provide its influence and views on a particular matter within the formal report to the Cabinet or Cabinet Member before the decision is made.</p> <p>This would usually be where the Committee has previously considered a draft report or the topic in detail, or where it considers it has sufficient information already to provide relevant comments to the decision-maker.</p>	<p>These would go within the standard section in every Cabinet or Cabinet Member report called "Select Committee comments".</p> <p>The Cabinet or Cabinet Member would then consider these as part of any decision they make.</p>
<b>2</b>	<b>To request further information on future reports listed under its remit.</b>	<p>As part of its pre-decision scrutiny role, this would be where the Committee wishes to discover more about a matter within its remit that is listed on the Forward Plan.</p> <p>Whilst such advance information can be requested from officers, the Committee should note that information may or may not be available in advance due to various factors, including timescales or the status of the drafting of the report itself and the formulation of final recommendation(s). Ultimately, the provision of any information in advance would be a matter for the Cabinet Member to decide.</p>	<p>This would be considered at a subsequent Select Committee meeting. Alternatively, information could be circulated outside the meeting if reporting timescales require this.</p> <p>Upon the provision of any information, the Select Committee may then decide to provide specific comments (as per 1 above).</p>
<b>3</b>	<b>To request the Cabinet Member considers providing a draft of the report, if feasible, for the Select Committee to consider prior to it being considered formally for decision.</b>	<p>As part of its pre-decision scrutiny role, this would be where the Committee wishes to provide an early steer or help shape a future report to Cabinet, e.g., on a policy matter.</p> <p>Whilst not the default position, Select Committees do occasionally receive draft versions of Cabinet reports prior to their formal consideration. The provision of such draft reports in advance may depend upon different factors, e.g., the timings required for that decision. Ultimately any request to see a draft report early would need the approval of the relevant Cabinet Member.</p>	<p>Democratic Services would contact the relevant Cabinet Member and Officer upon any such request.</p> <p>If agreed, the draft report would be considered at a subsequent Select Committee meeting to provide views and feedback to officers before they finalise it for the Cabinet or Cabinet Member. An opportunity to provide specific comments (as per 1 above) is also possible.</p>
<b>4</b>	<b>To identify a forthcoming report that may merit a post-decision review at a later Select Committee meeting</b>	<p>As part of its post-decision scrutiny and broader reviewing role, this would be where the Select Committee may wish to monitor the implementation of a certain Cabinet or Cabinet Member decision listed/taken at a later stage, i.e., to review its effectiveness after a period of 6 months.</p> <p>The Committee should note that this is different to the use of the post-decision scrutiny 'call-in' power which seeks to ask the Cabinet or Cabinet Member to formally re-consider a decision up to 5 working days after the decision notice has been issued. This is undertaken via the new Scrutiny Call-in App members of the relevant Select Committee.</p>	<p>The Committee would add the matter to its multi-year work programme after a suitable time has elapsed upon the decision expected to be made by the Cabinet or Cabinet Member.</p> <p>Relevant service areas may be best to advise on the most appropriate time to review the matter once the decision is made.</p>
