073	Approval of school admissions arrangements	As an education authority the Borough must plan for a sufficiency of places and efficient use of resources. There has been a slight decline in demand across the primary sector, with some fluctuations, but it is clear that the level of primary surplus places continues to be too high, pooling in a few schools. There is the opportunity to review the number of primary places and potentially reduce Published Admission Numbers (PAN) in some schools to ensure schools and the authority best meet the needs of all pupils across the Borough, and make effective use of resources in schools and between them. Therefore, the Council is proposing to reduce the Published Admission Number for a number of Hillingdon primary schools. Cabinet will make a decision on this following consideration of the consultation responses.
