Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Ruislip Manor Sports and Social Club is situated within the footprint of Wealdstone Football Club who play in the Conference Premier League. The club is popular within the local community and provides facilities for a wide range of activities on a regular basis. These include live music, dance lessons, aerobics, archery and football, both senior and junior, wedding, birthday celebration, gigs, and business meetings. The club is gaining in popularity and spectators are increasingly putting pressure on the current internal bar facility. Providing an additional external bar with restricted hours no later than 10pm will reduce queuing and provide an enhanced level of service. The club also has ad hoc events such as Wealdstone youth and academy tournaments, within the grounds and the provision of a small external bar will service such events without the need to open the main clubhouse. The club already has a dedicated external patio area where the public are required to consume alcohol purchased within the club house and who want to consume it in the open air. Persons who purchase alcohol from the external bar will also be required to consume it within the patio area specified on the deposited plans and not congregate around the bar or on any other part of the external grounds. All persons wishing to consume alcohol will be directed to the patio area by dedicated stewards. The variation also includes a more detailed plan of the club house and the surrounding area including the location of the new bar and dedicated patio where consumption of alcohol may take place.
