<b>Papers with report</b>	Draft Scoping Report for Review

## HEADLINES

At its meeting on 13 July 2022, the Property, Highways & Transport Select Committee suggested a number of topics for its first major review. These topics were explored for feasibility with the frontrunning topic being a review looking into how the Council can attain best value and practice through its pavements and footways reconstruction and resurfacing programme. Officers have produced a draft scoping report for the Committee's consideration.

It is envisaged that there will be three witness sessions, with a suggested schedule set out in the attached scoping report and on the Committee's Multi-Year Work Programme.
