<p><i>Please tick;</i></p> <p>Prevention of Crime/Disorder</p> <p>Prevention of Public Nuisance</p> <p>Protection of Children From Harm</p> <p>Public Safety</p>	<p>As Ward Councillor for Hillington West Ward, which closely borders the Prince of Wales premises, I make a representation against this application on the basis of prevention of crime/disorder, prevention of public nuisance, protection of children from harm, and public safety.</p> <p>The Prince of Wales is situated in an entirely residential area, and is in close proximity to several houses along the Uxbridge Road in the Ward I represent. It is thoroughly unsuitable and unacceptable for a venue to be allowed to play live music indoors and outdoors until 0100 on Friday, Saturday and Sunday mornings (and until midnight on other days of the week) in this location.</p> <p>Several nearby residents have contacted me in light of this application. They are entirely and utterly fed up of having to endure anti-social behaviour from the patrons of the Prince of Wales, and have shared with me their experiences as evidence. They advise that over the past few years there has been a spate of crime and licensing breaches at the premises, including the retail of alcohol to underage children, fights including a knife attack, excessive noise, and endless residential disturbances running into the middle of the night. They feel the owners and previous licensees have failed to acknowledge the Prince of Wales' true detrimental impact on the local community, and have treated nearby residents' complaints with total disregard. They also all remarked that whilst this is an application from a new licensee, behind the scenes it is still the same owner, same business (and likely same employees) that carry on.</p> <p>Whilst I don't live in the vicinity of the Prince of Wales, I have driven by dozens of times late in the evening when the premises was in operation. On each occasion I observed large groups of patrons noisily standing on the pavement outside, with their</p>

	<p>vehicles parked dangerously on the highway of Harlington Road – either causing hindrance to traffic, and/or being half parked on the (very narrow) pavement.</p> <p>My firm request is for the licensing committee to reject this application.</p>

The outcome you are seeking from the Licensing Authority (See note 6);

To reject this licensing application.

Parking has been a contentious issue with the Prince of Wales. There is insufficient parking for the patrons, who then defer to parking along Harlington Road, Uxbridge and the nearby roads. Patrons leaving the premises into the early hours of the morning especially from Friday to Saturday, do not always leave quietly and had impacted heavily and will continue to impact on the resident's peace.</p>

Dear sirs.

I have been informed that the above premises has applied for an alcoholic licence. I live opposite the pub. I strongly object to a new license being granted, ever since the present owner has been the licensee, we have had numerous disturbances that have been reported on a continual basis to the council. Residents have been constantly woken up in the early hours by the patrons noise. This has been weekdays and weekends we have endured loud music, shouting, singing, screaming, fighting and parking issues. A year ago the owner had his license revoked for fighting and under age drinking on the recommendation of the police.

I understand the owner of the above premises, has a new applicant on the lease, but as it is still the same owner, same staff therefore it will be business as usual.

Residents in the area have already suffered enough noise and anti social behaviour since the current owner who has total disregard for the residents.

It would therefore be unacceptable to expect them to continue to do some, by the new license being granted.

Thomas Craig.
