### SUPPORTING INFORMATION

At its meeting on 19 October 2022, the Residents' Services Select Committee elected to undertake a major review of the Council's alley gating scheme. The scoping report for the review was subsequently approved at the Select Committee meeting on 19 January 2023. This review aims to consider ways in which the current alley gating scheme could potentially be improved to better meet the needs of Hillingdon residents. The purpose of the current alley gating scheme is to improve the security of residential properties thereby reducing the opportunity for crime to be committed and decreasing the fear of crime. The scope of the Select Committee's review is limited to the application of alley gates to alleys and paths which are not public rights of way.

At this third witness session, key officers representing the Community Engagement Team, namely Helena Webster and Neil O'Connor, will be in attendance to answer any questions that may arise. External witnesses Elleni Yangu (Gating Officer) and Yasmin Basterfield (Safer Communities Team Leader) from Ealing Council will also be in attendance to present their report (Appendix A) and answer questions regarding Ealing's alley gating scheme.
