- 2.4 The current Independent Chairman has over 20 years' experience in the public and private sectors working in the internal audit, risk management, business improvement and governance fields.
- 2.5 The role delegated by the Council to the Audit Committee is to provide independent assurance over the governance, risk management and the system of internal control

in operation at the Council. The Audit Committee has fulfilled this role by undertaking the following key activities:

a) Oversight of Internal Audit

- The Audit Committee oversaw the activity of the Council's Internal Audit service to assist it in its role of monitoring the internal control, risk management and governance arrangements of the Council's operations. During 2022/23, the Audit Committee reviewed the 2021/22 Annual Internal Audit Report and Head of Internal Audit Opinion Statement, the 2022/23 Annual Internal Audit Plan, and quarterly progress reports and operational plans;
- The Audit Committee also reviewed the key findings from Internal Audit reviews and sought explanations from the Head of Internal Audit about the recommendations emanating from 'Limited' or 'No' assurance audits.
- The Committee continued to monitor the performance of the Internal Audit Service. Due to significant vacancies within the Internal Audit team during the year, including reliance on Interim Heads of Internal Audit, support was received from an external audit provider, Mazars, to complete the 2022/23 Internal Audit plan.
- An assessment of the Internal Audit Service is required by the Public Sector Internal Audit Standards (PSIAS) to be completed every five years. Hillingdon's Internal Audit Service was reviewed at the end of the 2022/23 year and any actions arising from the report will be agreed and monitored as part of the 2023/24 workplan.

The Audit Committee is satisfied that Internal Audit is effective and adds value to the Council.

b) Oversight of External Audit

- The Committee has reviewed the activity of the Council's External Auditors (Ernst & Young) to assist it in its role of monitoring the internal control, risk management and governance arrangements of the Council's operations. The Committee has received and considered the external audit plan, progress updates and reviewed EY performance.
- The Committee monitored the progress to complete the audit of the 2021/22 annual accounts and acknowledge the ongoing delays are consistent with other local authorities. The audit was ongoing at the end of 2022/23 and will be taken forward during 2023/24.

The Audit Committee is satisfied with the Council's External Audit arrangements during 2022/23

c) Prevention and Detection of Fraud and Corruption

- The Council operates a zero-tolerance policy towards all fraud and corruption. The Counter Fraud Team (CFT) is embedded into all major fraud risks across the three largest areas of expenditure Revenues, Social Care and Housing. The team conducts proactive and reactive counter fraud activity to highlight fraud, loss and error. This minimises the Council's exposure to fraud and maximises its preventative savings.
- The National Fraud Initiative (NFI), is embedded in practice in the CFT through detecting potential fraud by matching electronic data sets within and between public and private sector bodies. Relevant service areas across the Council review the initial data matches and then refer them to the CFT for investigation (where appropriate to do so).
- The Audit Committee has received consolidated quarterly progress reports from the CFT, a detailed 2022/23 Annual Plan and Annual Report for 2021/22. The team

has responsibility for the oversight of the effectiveness of the Council's policies and procedures to prevent and detect fraud and corruption.

- In 2022/23 the CFT had achieved a number of successful outcomes including a total of c£12.3m in loss prevention savings across Council services. These savings included the recovery of 84 council properties due to tenancy fraud,.

The Audit Committee is satisfied with the effectiveness of the Council's counter fraud arrangements during 2022/23 and is looking forward to seeing more loss prevention work being completed in 2023/24.

d) Risk Management & Corporate Governance

- The Audit Committee reviewed the Annual Risk Management Report in September 2022 as part of the Committee's role to independently assure the Council's corporate risk management arrangements. The Council's Risk Management Policy and Guidance was last updated in August 2020.
- The Committee has monitored and reviewed the Council's risk management arrangements during the year through a quarterly risk management report, including the updated Corporate Risk Register. It also sought assurances that action was being taken on risk related issues.
- The Audit Committee also oversee the production of the Council's Annual Governance Statement (AGS). The AGS for 2021/22 was drafted and submitted to External Audit during the year, however as the 2021/22 audit of the annual accounts has been delayed the final accounts were not presented to the Committee during the year.

The Audit Committee is satisfied that the Risk Management arrangements enable it to provide sufficient challenge to officers around the identification and management of the key risks to the Council.

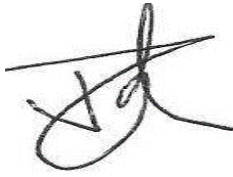

e) Approval of Financial Accounts

- Throughout 2022/23 the Audit Committee was provided with audit progress reports on the Council's annual statement of accounts for 2021/22. This included considering whether appropriate accounting policies have been followed and whether there are concerns arising from the external audit of the financial statements that need to be brought to the attention of the Council.
- Due to delays finalising the audit of the 2021/22 annual accounts the Audit Committee had not received the final accounts by the end of 2022/23. This will be taken forward during 2023/24.

3. Conclusion

- 3.1 In January 2023 the Committee received an update on the CIPFA's recent position statement: Audit Committees in Local Authorities and Police 2022. Following an assessment against the position statement it was acknowledged the committee was generally in compliance with the best practice and no significant actions were identified.
- 3.2 The Audit Committee considers that it has continued to make a significant contribution to ensuring that the key elements of the governance framework are given proper consideration and are appropriately challenged. It will continue to develop this role and contribute to strengthen internal control, risk management and governance throughout the authority.

- 3.3 I would like to thank all Members and officers who have been involved in the work of the Audit Committee throughout the past year.
