SACRE Self Evaluation Toolkit

Introduction

This tool has been created to help SACREs in their essential role to advise the Local Authority (LA) in meeting the entitlement of pupils across the LA to engage in high quality Religious Education (RE) and Collective Worship (CW) and to support the LA to reflect on its practice. In an educational context where standards and accountability are at the top of the agenda, a SACRE's work has become increasingly challenging and diverse, but also more rewarding and stimulating. Good SACREs will therefore tackle their responsibilities as opportunities, with enthusiasm, whilst recognising the need for realistic and ongoing appraisal and self-review.

In many ways, SACREs reflect the work of governing bodies in schools, in so far as they act as critical friends to the LA on matters of RE and CW. Like school governors, members are unpaid volunteers who give up their time to support RE and CW locally.

This toolkit is an amended version of the 2015 document. It takes account of changes in inspection arrangements and in the role of LAs, and of the development of maintained schools independent of their LA. It is designed to help individual SACREs evaluate their effectiveness, including considering their impact on pupils' educational experience and learning. It also helps SACREs review their organisational patterns and structures, and their partnership with the LA and other key stakeholders.

The toolkit highlights five key dimensions of SACRE's work and provides exemplification of good practice. A SACRE that uses this self-evaluation guidance should gain a clear picture of its strengths, identify areas for further development, and establish key priorities for action.

The DCSF publication "Religious education in English schools: Non-statutory guidance" (2010) ("the Guidance") remains the most recent official statement in this field: https://www.gov.uk/government/publications/religious-education-guidance-in-english-schools-non-statutory-guidance-2010.   The Guidance sets out the responsibilities of SACREs and LAs as well as those of other stakeholders in RE. Key summaries from the Guidance are included in the Annex to this document.

Rationale

The SACRE self-evaluation toolkit focuses on the following five aspects of the work of SACREs:

1.   Management of the SACRE and building the partnership between the SACRE, the LA and other key stakeholders
2.   Promoting improvement in the standards, the quality of teaching, and provision in RE
3.   Evaluating the effectiveness of the locally agreed syllabus
4.   Promoting improvement in the provision and quality of collective worship
5.   Contributing to cohesion across the community and the promotion of social and racial harmony.

Each aspect forms a section within the toolkit and each section is divided into focus questions to help SACREs explore their provision. Descriptors for 'Requires improvement/struggling', 'Developing', 'Established' and 'Advanced' practice will enable SACREs to evaluate their standing within each focus question.

In the final column, SACREs may wish to identify any issues and action points within that focus, as appropriate. Key priorities can then be identified at the end of each section to inform the development of an action plan.

The intention is that, over time, exemplars of good practice from different SACREs will be made available on an open website, together with annual reports, as a way of adding further support to SACREs and LAs. Clearly the capacity of any SACRE to make the most of this will be dependent on the extent of the support it receives from, and the quality of its relationship with the LA.
SACREs are invited to use the format of this evaluation in conjunction with their annual report.

Section 4. Collective Worship

How effectively does the SACRE fulfil its responsibilities for the provision and practice of Collective Worship?

Maintained schools are required to provide a daily act of Collective Worship for every pupil. In community schools not having a religious foundation, the acts of CW should be "wholly or mainly of a broadly Christian character", without being distinctive of any particular denomination. Part of a SACRE's role is to support the effective provision of CW in community schools and to advise the LA on issues related to provision and quality.   It must also consider applications from headteachers in community schools that the requirement for CW to be wholly or mainly of a broadly Christian character be disapplied for some or all of the pupils in that school. SACRE 'determines' the appropriateness of that application and grants a 'determination' to those schools where the application is judged to be in the best interests of the pupils. All pupils in schools with determinations continue to have an entitlement to daily CW.

CW can be a rich and rewarding element of the curriculum as a whole and SACREs have the opportunity to enhance its quality by offering appropriate guidance and support.

Key Area:**4a – Supporting pupil entitlement**		
What strategies are in place to enable the SACRE to support the delivery of pupil entitlement in the LA's schools?		
Requires improvement/struggling A SACRE in this position would:	not have any knowledge regarding the provision of CW nor have any mechanism in place to gain such knowledge.	☐
Developing A SACRE with developing practice would:	be unaware of the issues facing schools in providing CW as part of the pupil entitlement. Provide little advice or support towards fulfilling pupil entitlement to CW.	☐
Established A SACRE with established practice would:	understand local issues of delivering pupil entitlement and of the challenges schools face in providing CW. Provide some advice in support of delivering pupil entitlement. Seek to ensure that schools had access to, and advice on, appropriate resources for the delivery of CW.	☐
Advanced A SACRE with advanced practice would:	have a balanced and realistic overview of provision and its challenges across the LA. Provide or arrange for systematic support and guidance for schools experiencing difficulty in delivering pupil entitlement. Obtain feedback from schools to evaluate the impact of advice and support. Periodically review its strategies for supporting pupil entitlement.	☐
Where are we and where do we find evidence to support this?		

Key Area: **4b – Enhancing the quality of provision of collective worship**		
How does SACRE seek to influence the quality of collective worship in the LA's schools?		
Requires improvement/struggling A SACRE in this position would:	not be able to influence the quality of CW due to lack of support either from the LA or CW/RE professional. Have no knowledge of what good quality CW in schools looks like.	☐
Developing A SACRE with developing practice would:	not be adequately supported by the LA / RE professional to promote quality provision of CW. Have agenda items about CW dominated by the issue of how SACRE obtains data. Have little understanding of the nature and potential of CW and of what effective provision in each school might be.	☐
Established A SACRE with established practice would:	have occasional agenda items on CW, with some insight into how it is being delivered in the LA's schools. Understand what effective provision is, but SACRE members have little 'hands-on' experience of CW. Promote in-service support for teachers with responsibility for CW. Advise on enhancing quality of provision.	☐
Advanced A SACRE with advanced practice would:	have a good overview of quality of provision across the LA, with information from the LA and from presentations by schools. Have first-hand experience of CW in schools. Disseminate good practice in consultation with schools and teachers. Sponsor an ongoing programme of in-service development, and assist schools in evaluating and enhancing the quality of their provision.	☐
Where are we and where do we find evidence to support this?		

Key Area: **4c – Responding to requests for determinations**		
How robust are SACRE's procedures for responding to requests from schools for a determination?		
Requires improvement/struggling A SACRE in this position would:	not have any understanding of what a determination is. Have no documentation for schools to use to make application for a determination.	☐
Developing A SACRE with developing practice would:	have had little or no experience of any requests for a determination, and have given at most only minimal attention as to how it might respond to such a request, due to a lack of support provided to SACRE by the LA via a professional officer. Found unprepared and at risk of making an unsound decision or giving erroneous advice by a request for a determination.	☐
Established A SACRE with established practice would:	be aware that schools have the option of requesting a determination, and that SACRE has a major role in this process. Have provided some training to its members regarding determinations, either directly through working on earlier requests, or through specific elements in developmental sessions. Responds in an adequate but piecemeal fashion, when requested for a determination, without a systematic overview of this area of work.	☐
Advanced A SACRE with advanced practice would:	be fully equipped for responding to requests for determinations, with a good understanding of SACRE's responsibilities. Have a well-established and effective framework for responding to requests, with which members are familiar and comfortable. Meet a request with a judicious and well-informed appraisal of the request by SACRE, leading to a sound decision communicated clearly to the school in a context of ongoing advisory support. Periodically review all existing determinations together with keeping the guidance from the RE professional.	☐
Where are we and where do we find evidence to support this?
