### Future Review Topics

At the meeting on 24 July 2024, Members agreed to undertake single meeting reviews in relation to:

1. pharmacies and the delivery of front-line services. As the services provided by pharmacies had an impact on GPs, it was agreed that this single meeting review be undertaken first; and
2. GP coverage across the Borough.

A major review would be undertaken in relation to adult social care early intervention and prevention with the first witness session taking place on 12 November 2024. It was also agreed that hospice and end of life care services in the Borough be discussed at the Committee's next meeting (and that the health updates therefore be moved to the meeting on 9 October 2024).
