Hi Austen,

I agree with Jo. Displaying items on the pavement where there are already issues with the accumulation of rubbish will cause further complaints down the line.

Kind regards

Nav Dang

Hi Both

Just wondering if you did have any further comments following on from Jo's email. I have had comments from a councillor raising the same concerns as Jo.

Please let me know if you need any further information about this application.

Regards

Austen

**Subject:** Re: New Street Trading Application - Europa Furniture

Evening,

We have received several reports related to businesses operating in Victoria Road, South Ruislip particularly in respect of rubbish accumulation/waste disposal.

My concern is that if residents and Councillors are reporting issues in the street related to waste, the use of the pavement to display items such as beds and mattresses may cause additional problems and confusion. However Asif and Nav can better advise on this situation.

Thanks  
Jo
