

Hillingdon Pension Fund Outline Audit planning report

Year ending 31 March 2024

April 2024

18 April 2024

Audit Committee
London Borough of Hillingdon
Uxbridge
UB8 1UW Address

Dear Audit Committee Members

Outline Audit Planning Report

Attached is our Outline Audit Planning Report for the forthcoming meeting of the Audit Committee. The purpose of this report is to provide the Audit Committee of Hillingdon Pension Fund (the Fund) with a basis to review our proposed audit approach and scope for the 2023/24 audit, in accordance with the requirements of the Local Audit and Accountability Act 2014, the National Audit Office's 2020 Code of Audit Practice, the Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA) Ltd, auditing standards and other professional requirements, but also to ensure that our audit is aligned with the Audit Committee's service expectations.

We have not yet fully completed our planning at the date of issue of this report and therefore this is an outline plan. If there are any changes to the risks we have identified or our planned response to these risks, once we have fully concluded our planning, we will update the Committee.

This report summarises our initial assessment of the key risks driving the development of an effective audit for the Fund. We have aligned our audit approach and scope with these.

The Audit Committee, as the Fund's body charged with governance, has an essential role in ensuring that it has assurance over both the quality of the draft financial statements prepared by management and the Fund's wider arrangements to support the delivery of a timely and efficient audit. Where this is not done it will impact the level of resource needed to discharge our responsibilities.

We draw Audit Committee members and officers attention to the Public Sector Audit Appointment Limited's Statement of Responsibilities (paragraphs 26-28) which clearly set out what is expected of audited bodies in preparing their financial statements (see Appendix A).

This report is intended solely for the information and use of the Audit Committee, and management, and is not intended to be and should not be used by anyone other than these specified parties. We welcome the opportunity to discuss this report with you on 30 April 2024 as well as understand whether there are other matters which you consider may influence our audit.

Yours faithfully

A handwritten signature in black ink that reads "Debbie Hanson". The signature is written in a cursive style with a large, looped initial "D".

Debbie Hanson

08 Appendices

Public Sector Audit Appointments Ltd (PSAA) issued the "Statement of responsibilities of auditors and audited bodies". It is available from the PSAA website (<https://www.psa.co.uk/managing-audit-quality/statement-of-responsibilities-of-auditors-and-audited-bodies/statement-of-responsibilities-of-auditors-and-audited-bodies-from-2023-24-audits/>). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment and further guidance (updated July 2021)" issued by the PSAA (<https://www.psa.co.uk/managing-audit-quality/terms-of-appointment/terms-of-appointment-and-further-guidance-1-july-2021/>) sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the Audit Committee and management of Hillingdon Pension Fund. Our work has been undertaken so that we might state to the Audit Committee and management of Hillingdon Pension Fund those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Audit Committee and management of Hillingdon Pension Fund for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

01

Overview of our 2023/24 audit strategy

Overview of our 2023/24 audit strategy

The following 'dashboard' summarises the significant accounting and auditing matters outlined in this report. It seeks to provide the Audit Committee with an overview of our initial risk identification for the upcoming audit and any changes in risks identified in the current year. We continue to assess risk throughout the audit. We will bring any changes in our risk assessment to the attention of the Audit Committee.

Audit risks and areas of focus

Risk / area of focus	Risk identified	Change from PY	Details
Misstatements due to fraud or error	Fraud risk	No change in risk, but change in focus	<p>As identified in ISA 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that would otherwise appear to be operating effectively. We perform mandatory procedures to address this risk regardless of specifically identified fraud risks.</p> <p>In the prior year, we identified the risk of manipulation of investment income and valuation as the most likely way management would seek to override controls and presented this as a specific fraud risk. In the current year, we have associated the specific risk to investment income only as we consider that this is more susceptible to manipulation than investment valuation.</p>
Valuation of level 3 (complex) investments	Significant risk	No change in risk or focus	<p>We consider the valuation of level 3 (complex) investments to be a significant risk due to the unobservable inputs making up the valuations. Significant judgements are made by the investment managers to value these investments whose prices are not publicly available. The value of investments valued at level 3 as at 31-3-23 was £245m.</p> <p>The Fund's private debt investments are categorised as being at level 3 in the fair value hierarchy. This is due to the uncertainty associated with the valuation of such investments where the valuations are not based on observable inputs.</p>
Classification of level 2 and level 3 investments.	Significant risk	Increase in risk no change in focus	<p>In 2022/23, our audit of fair value hierarchies of the Pension Fund's assets identified an error in the classification of investments which resulted in £64 million of investments being reclassified from level 2 to level 3. There was a similar error in the 2021/22 year of £47 million. As a result of these errors, we have increased this risk from an inherent risk in the prior year to a significant risk in 2022/23. There is an element of judgment in the fair value hierarchy classification and we will therefore scrutinise and challenge the Pension Fund's classifications in the current year.</p>
IAS 26 - Actuarial present value of promised retirement benefits	Inherent risk	No change in risk or focus	<p>We consider the valuation of IAS 26 disclosures to have a higher degree of inherent risk because of the level of estimation uncertainty resulting from the calculation using a number of underlying assumptions. The actuary is required to make assumptions on salary increases, discount rates, pension rates, scheme member longevity and other variables.</p>

Overview of our 2023/24 audit strategy

Materiality

Planning materiality

£11.8 m

Materiality for the Fund has been set at £11.8 million, which represents 1% of net assets in the final draft 2022/23 financial statements. We consider net assets, to be the appropriate basis of materiality for the Fund due to the scale and interest to users of the financial statements. This is the same basis as that used in the prior year.

Performance materiality

£8.9 m

Performance materiality has been set at £8.9 million, which represents 75% of materiality. This is consistent with the prior year. Our assessment reflects the strong control environment present at the Fund and our expectation of a relatively low level of misstatements based on results from previous audits.

Audit differences

£0.59m

We will report all uncorrected misstatements relating to the primary statements (fund account and net asset statement) greater than £0.59 million. Other misstatements identified will be communicated to the extent that they merit the attention of the Audit Committee.

Overview of our 2023/24 audit strategy

Audit scope

This Outline Audit Planning Report covers the work that we plan to perform to provide you with:

- Our audit opinion on whether the financial statements of the Fund give a true and fair view of the financial transactions of the Fund during the year ended 31 March 2024 and the amount and disposition at that date of its assets and liabilities for 2023/24.
- Our opinion on the consistency of the Fund financial statements within the Fund annual report with the published financial statements of the London Borough of Hillingdon.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- Strategic, operational and financial risks relevant to the financial statements;
- Developments in financial reporting and auditing standards;
- The quality of systems and processes;
- Changes in the business and regulatory environment; and,
- Management's views on all of the above.

By considering these inputs, our audit is focused on the areas that matter and our feedback is more likely to be relevant to the Fund.

Taking the above into account, and as articulated in this Outline Audit planning report, our professional responsibilities require us to independently assess the risks associated with providing an audit opinion and undertake appropriate procedures in response to those risks. Our Terms of Appointment with PSAA allow them to vary the fee dependent on "the auditors assessment of risk and the work needed to meet their professional responsibilities". Therefore to the extent any of these or any other risks are relevant in the context of the Fund's audit, we set those within this Outline Audit planning report and we will continue to discuss these with management as to the impact on the scale fee.

Effects of climate-related matters on financial statements

Public interest in climate change is increasing. We are mindful that climate-related risks may have a long timeframe and therefore while risks exist, the impact on the current period financial statements may not be immediately material to the Fund. It is, nevertheless, important to understand the relevant risks to make this evaluation. In addition, understanding climate-related risks may be relevant in the context of qualitative disclosures in the notes to the financial statements.

We make inquiries regarding climate-related risks on every audit as part of understanding the entity and its environment. As we re-evaluate our risk assessments throughout the audit, we continually consider the information that we have obtained to help us assess the level of inherent risk.

Audit scope and approach

We intend to take a substantive audit approach.

Overview of our 2023/24 audit strategy

Audit team

The audit will be led by Debbie Hanson as the Partner in Charge. Debbie will be supported by Ruth Plucknett, Manager, and Josna Jose, Lead Senior. See Section 05 for further details of the audit team and the areas where management and EY specialists are expected to provide input for the current year audit.

Timeline

Details of the planned timeline for delivery of the audit are set out in Section 06.

We expect to have fully completed our risk assessment and work to walkthrough the Fund's key systems and processes, including work to comply with the enhanced requirements of ISA (UK) 315 (Revised), by the end of April 2024.

Our detailed testing of balances and disclosure in the financial statements is expected to be complete by the end of October 2024. Our reporting and presentation to you of our final Audit Results Report is however yet to be confirmed, as we need to take into account the Department for Levelling-up, Housing and Communities (DLUHC) and Financial Reporting Council (FRC) measures to address local audit delays, and the associated impact on the Council and Pension Fund audits.

02 Audit risks

Our response to significant risks

We have set out the significant risks (including fraud risks denoted by*) identified for the current year audit along with the rationale and expected audit approach. The risks identified below may change to reflect any significant findings or subsequent issues we identify during the audit.

Misstatements
due to fraud or
error*

What is the risk?

The financial statements as a whole are not free of material misstatements whether caused by fraud or error.

As identified in ISA (UK) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

We identify and respond to this fraud risk on every audit engagement.

What will we do?

We will undertake our standard procedures to address fraud risk, which include:

- Inquiry of management about risks of fraud and the controls put in place to address those risks.
- Understanding the oversight given by those charged with governance of management's processes over fraud.
- Consideration of the effectiveness of management's controls designed to address the risk of fraud.

Performing mandatory procedures regardless of specifically identified fraud risks, including:

- Testing the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements.
- Assessing accounting estimates for evidence of management bias.
- Evaluating the business rationale for any significant unusual transactions.

We will utilise our data analytics capabilities to assist with our work.

We have identified the risk of manipulation of investment income as the most likely way management would seek to override controls. Our approach will focus on testing to confirm that investment income provided through the custodian and fund managers is appropriately journalled into the financial statements.

Our response to significant risks (cont'd)

What is the risk?

We consider the valuation of level 3 (complex) investments to be of a higher degree of inherent risk due to the unobservable inputs making up the valuations. Significant judgements are made by the investment managers or administrators to value these investments whose prices are not publicly available. The value of investments valued at level 3 as at 31-3-23 was £245m.

The Fund's private debt and infrastructure investments are categorised as being at level 3 in the fair value hierarchy.

What will we do?

We will:

- Assess the competence of valuation experts through review and analysis of ISAE 3402 internal control reports issued on the fund managers and the custodian;
- Where the ISAE 3402 reports are not issued at 31 March 2024, we will obtain and review bridging letters;
- Review the control reports for any issues or qualifications which impact the valuation controls over the funds.
- Review the basis of valuation for property investments and other unquoted investments, assessing the appropriateness of the valuation methods used;
- Where available, review the latest audited accounts for the relevant underlying investment funds and compare the net asset values with the valuation of the assets in the accounts of the Fund. We will also ensure there are no matters arising that highlight weaknesses in the Fund's valuation;
- If the latest audited accounts are issued at a different date compared to the reporting date of the Fund, we will perform roll forward procedures to support the valuation of the investments as of 31 March 2024, such as benchmark indexation for similar assets and analysis of cash movements in the gap period and understand what the Pension Fund has done to assess how the valuations are still materially correct as at 31 March 2024; and
- Perform analytical procedures by checking the valuation output for reasonableness against our own expectations.

Our response to significant risks (cont'd)

What is the risk?

The classification of investments using the fair value hierarchy requires the accurate identification of observable and unobservable inputs and requires a high level of professional judgement,

We have identified errors in the fair value hierarchies of the pension fund assets in the last two years of audit. In 2022/23 the error was £64 million of investments reclassified from level 2 to level 3 and in 2021/22 it was £47.8 million.

We have, as a result, raised this from an inherent risk to a significant risk.

What will we do?

We will:

- Gain an understanding of the Pension Fund's approach to classification and the nature of its investments.
- Assess the significance of market inputs used in the hierarchy valuation as well as the sources of the inputs.
- Confirm the basis of the valuation of each class of investment asset and assess whether it is appropriate
- Obtain quoted prices directly from independent sources and compare these with the Pension Fund's assessment of observable market inputs (bid market price, current yields, and closing bid price) to confirm correct classification.
- Test accounting entries have been correctly processed in the financial statements.

Other areas of audit focus

We have identified other areas of the audit, that have not been classified as significant risks, but are still important when considering the risks of material misstatement to the financial statements and disclosures and therefore may be key audit matters we will include in our audit report.

What is the risk/area of focus, and the key judgements and estimates?

IAS 26 (inherent risk)

We consider the valuation of IAS 26 to be of a higher degree of inherent risk because of the level of estimation uncertainty resulting from the calculation using a number of underlying assumptions. The actuary is required to make assumptions on salary increases, discount rates, pension rates, scheme member longevity and other variables.

Our response: Key areas of challenge and professional judgement

We will:

- Assess the competence of management experts, Hymans Robertson;
- Engage with the NAO's consulting actuary and our EY Pensions team to review whether the IAS26 approach applied by the actuary is reasonable and compliant with IAS26;
- Leverage the work of EY Pensions undertake as part of the London Borough of Hillingdon to create an auditor's estimate for the pension liability, to gain assurance over the process and assumptions used to estimate the present value of future retirement benefits; and
- Ensure that the IAS26 disclosure is in line with the relevant standards and consistent with the valuation provided by the actuary.

03 Audit materiality

Materiality

Fund Materiality

For planning purposes, materiality for 2023/24 has been set at £11.8 million. This represents 1% of the Fund's net assets in the draft 2022/23 financial statements. We consider net assets to be the appropriate basis of materiality for the Fund due to the scale and interest to users of the financial statements. We have provided supplemental information about audit materiality in Appendix D.

We request that the Audit Committee confirm their understanding of, and agreement to, these materiality and reporting levels.

Key definitions

Planning materiality – the amount over which we anticipate misstatements would influence the economic decisions of a user of the financial statements.

Performance materiality – the amount we use to determine the extent of our audit procedures. We have set performance materiality at 75% of planning materiality. This is based on our expectation of few misstatements for the audit.

Audit difference threshold – we propose that misstatements identified below this threshold are deemed clearly trivial. We will report to you all uncorrected misstatements over this amount.

Other uncorrected misstatements, such as reclassifications and misstatements in the disclosures and corrected misstatements will be communicated to the extent that they merit the attention of the Audit Committee, or are important from a qualitative perspective.

04 Scope of our audit

Audit process and strategy

Objective and Scope of our Audit scoping

Under the Code of Audit Practice, our principal objectives are to undertake work to support the provision of our audit report to the audited body and to satisfy ourselves that the audited body has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources to the extent required by the relevant legislation and the requirements of the Code.

We issue an audit report that covers:

Our opinion on the financial statements:

- whether the financial statements give a true and fair view of the financial transactions of the Fund during the year ended 31 March 2024 and the amount and disposition at that date of its assets and liabilities for 2023/24; and
- whether the financial statements have been prepared properly in accordance with the relevant accounting and reporting framework as set out in legislation, applicable accounting standards or other direction.

Consistency statement:

- Our opinion on the consistency of the Fund financial statements within the Fund annual report with the published financial statements of London Borough of Hillingdon Council.

Our opinion on other matters:

- whether other information published together with the audited financial statements is consistent with the financial statements.

We are also required to discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

Procedures required by standards

- Addressing the risk of fraud and error;
- Significant disclosures included in the financial statements;
- Entity-wide controls;
- Reading other information contained in the financial statements and reporting whether it is inconsistent with our understanding and the financial statements; and
- Auditor independence.

Audit process and strategy

Audit Process Overview

Our audit involves:

- ▶ Identifying and understanding the key processes and internal controls;
- ▶ Substantive tests of detail of transactions and amounts;
- ▶ Reliance on the work of other auditors where appropriate; and
- ▶ Reliance on the work of experts in relation to areas such as disclosures based on actuarial reports.

Our initial assessment of the key processes across the Fund has not identified any processes where we will seek to test key controls, either manual or IT. Our audit strategy will, as in previous years, follow a fully substantive approach. This will involve testing the figures within the financial statements rather than looking to place reliance on the controls within the financial systems. We assess this as the most efficient way of carrying out our work and obtaining the level of audit assurance required to conclude that the financial statements are not materially misstated.

Analytics

We will use our computer-based analytics tools to enable us to capture whole populations of your financial data, in particular journal entries. These tools:

- ▶ Help identify specific exceptions and anomalies which can then be subject to more traditional substantive audit tests; and
- ▶ Give greater likelihood of identifying errors than random sampling techniques.

We will report the findings from our process and analytics work, including any significant weaknesses or inefficiencies identified and recommendations for improvement, to management and the Audit Committee.

Internal Audit

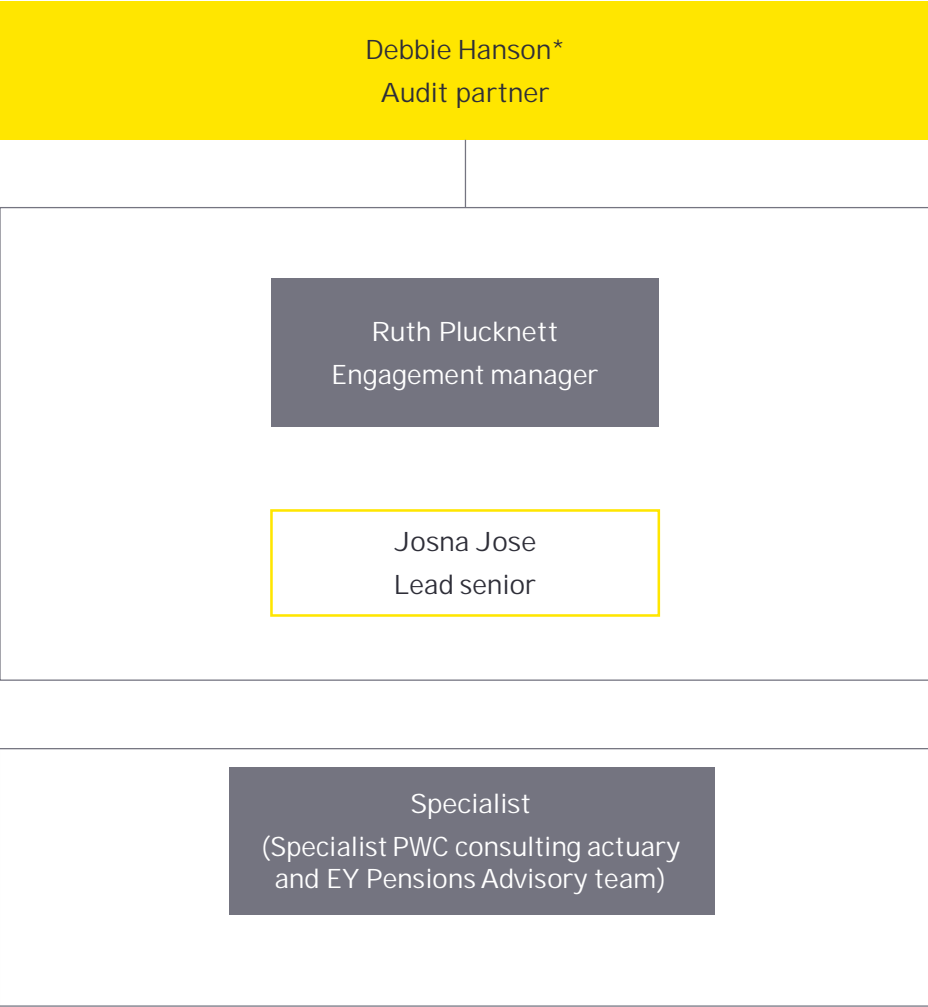

We will review Internal Audit plans and the results of their work. We will reflect the findings from these reports, together with reports from any other work completed in the year, where they raise issues that could have an impact on the financial statements.

05

Audit team

Audit team

* Key Audit Partner

Use of specialists

When auditing key judgements, we are often required to use the input and advice provided by specialists who have qualifications and expertise not possessed by the core audit team. The areas where management and EY specialists are expected to provide input for the current year audit are:

Area	Specialists
IAS 26 disclosure	Management Specialist - Hymans Robertson EY Specialist - PwC (Consulting Actuary to the NAO on behalf of audit providers) and EY Pensions Advisory Team

In accordance with Auditing Standards, we will evaluate each specialist's professional competence and objectivity, considering their qualifications, experience and available resources, together with the independence of the individuals performing the work.

We also consider the work performed by the specialist in light of our knowledge of the Fund's business and processes and our assessment of audit risk in the particular area. For example, we would typically perform the following procedures:

- ▶ Analyse source data and make inquiries as to the procedures used by the specialist to establish whether the source data is relevant and reliable
- ▶ Assess the reasonableness of the assumptions and methods used
- ▶ Consider the appropriateness of the timing of when the specialist carried out the work
- ▶ Assess whether the substance of the specialist's findings are properly reflected in the financial statements

06

Audit timeline

Timetable of communication and deliverables

Timeline

Below is a draft timetable showing the key stages of the audit and the deliverables we have agreed to provide to you through the audit cycle in 2023/24.

From time to time matters may arise that require immediate communication with the Audit Committee and we will discuss them with the Audit Committee Chair as appropriate. We will also provide updates on corporate governance and regulatory matters as necessary.

Audit phase	2024 Timetable	Deliverables
Planning: Risk assessment and setting of scopes	March/April	This Audit Planning Report to be presented to the 30 April 2024 meeting of the Audit Committee.
Walkthrough of key systems and processes	March/April	
Execution of audit procedures on the financial statements	September - October	
Audit completion procedures	November *	Audit Results Report shared with management and, in turn, the Audit Committee.
Audit conclusion	November *	Audit opinion and completion certificates. The Auditor's Annual Report to bring together all of our work's over the year. This will be a joint report with the London Borough of Hillingdon

* The final timetable is yet to be confirmed as we need to take into account the Department for Levelling-up, Housing and Communities (DLUHC) and Financial Reporting Council (FRC) measures to address local audit delays, and the consequent impact on the Council and Pension Fund audits.

07

Independence

Introduction

The FRC Ethical Standard and ISA (UK) 260 'Communication of audit matters with those charged with governance', requires us to communicate with you on a timely basis on all significant facts and matters that bear upon our integrity, objectivity and independence. The Ethical Standard, as revised in December 2019, requires that we communicate formally both at the planning stage and at the conclusion of the audit, as well as during the course of the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

Required communications

Planning stage

- ▶ The principal threats, if any, to objectivity and independence identified by Ernst & Young (EY) including consideration of all relationships between you, your affiliates and directors and us;
- ▶ The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality review;
- ▶ The overall assessment of threats and safeguards;
- ▶ Information about the general policies and process within EY to maintain objectivity and independence.

Final stage

- ▶ In order for you to assess the integrity, objectivity and independence of the firm and each covered person, we are required to provide a written disclosure of relationships (including the provision of non-audit services) that may bear on our integrity, objectivity and independence. This is required to have regard to relationships with the entity, its directors and senior management, its affiliates, and its connected parties and the threats to integrity or objectivity, including those that could compromise independence that these create. We are also required to disclose any safeguards that we have put in place and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed;
- ▶ Details of non-audit/additional services provided and the fees charged in relation thereto;
- ▶ Written confirmation that the firm and each covered person is independent and, if applicable, that any external experts used have confirmed their independence to us;
- ▶ Details of any non-audit/additional services to a UK PIE audit client where there are differences of professional opinion concerning the engagement between the Ethics Partner and Engagement Partner and where the final conclusion differs from the professional opinion of the Ethics Partner
- ▶ Details of any inconsistencies between FRC Ethical Standard and your policy for the supply of non-audit services by EY and any apparent breach of that policy;
- ▶ Details of all breaches of the IESBA Code of Ethics, the FRC Ethical Standard and professional standards, and of any safeguards applied and actions taken by EY to address any threats to independence; and
- ▶ An opportunity to discuss auditor independence issues.

In addition, during the course of the audit, we are required to communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of safeguards put in place, for example, when accepting an engagement to provide non-audit services.

We ensure that the total amount of fees that EY and our network firms have charged to you and your affiliates for the provision of services during the reporting period, analysed in appropriate categories, are disclosed.

Relationships, services and related threats and safeguards

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including the principal threats, if any. We have adopted the safeguards noted below (where applicable) to mitigate these threats along with the reasons why they are considered to be effective. However we will only perform non-audit services if the service has been pre-approved in accordance with your policy.

Overall Assessment

Overall, we consider that the safeguards that have been adopted appropriately mitigate the principal threats identified and we therefore confirm that EY is independent and the objectivity and independence of Debbie Hanson, your audit engagement partner, and the audit engagement team have not been compromised.

Self interest threats

A self interest threat arises when EY has financial or other interests in the Fund. Examples include where we have an investment in the Fund; where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with you. At the time of writing, there are no long outstanding fees.

We believe that it is appropriate for us to undertake those permitted non-audit/additional services set out in Section 5.40 of the FRC Ethical Standard 2019 (FRC ES), and we will comply with the policies that you have approved.

None of the services are prohibited under the FRC's ES and the services have been approved in accordance with your policy on pre-approval. In addition, when the ratio of non-audit fees to audit fees exceeds 1:1, we are required to discuss this with our Ethics Partner, as set out by the FRC ES, and if necessary agree additional safeguards or not accept the non-audit engagement. We will also discuss this with you.

At the time of writing, there are no non-audit fees associated with Hillingdon Pension Fund. No additional safeguards are required.

A self interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to you. We confirm that no member of our audit engagement team, including those from other service lines, has objectives or is rewarded in relation to sales to you, in compliance with Ethical Standard part 4. There are no other self interest threats at the date of this report.

Self review threats

Self review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements.

There are no self review threats at the date of this report.

Management threats

Partners and employees of EY are prohibited from taking decisions on behalf of management of your company. Management threats may also arise during the provision of a non-audit service in relation to which management is required to make judgements or decision based on that work.

There are no management threats at the date of this report.

Other threats

Other threats, such as advocacy, familiarity or intimidation, may arise.

There are no other threats at the date of this report.

Other communications

EY Transparency Report 2023

EY has policies and procedures that instil professional values as part of firm culture and ensure that the highest standards of objectivity, independence and integrity are maintained. Details of the key policies and processes in place within EY for maintaining objectivity and independence can be found in our annual Transparency Report which the firm is required to publish by law. The most recent version of this Report is for the period ended 30 June 2023 and can be found here: [EY UK 2023 Transparency Report](#).

08 Appendices

Appendix A – PSAA Statement of Responsibilities

As set out on the next page our fee is based on the assumption that the Fund complies with PSAA's Statement of Responsibilities of auditors and audited bodies. See <https://www.psa.co.uk/managing-audit-quality/statement-of-responsibilities-of-auditors-and-audited-bodies/statement-of-responsibilities-of-auditors-and-audited-bodies-from-2023-24-audits/>. In particular the Fund should have regard to paragraphs 26-28 of the Statement of Responsibilities which clearly set out what is expected of audited bodies in preparing their financial statements. We set out these paragraphs in full below:

Preparation of the statement of accounts

26. Audited bodies are expected to follow Good Industry Practice and applicable recommendations and guidance from CIPFA and, as applicable, other relevant organisations as to proper accounting procedures and controls, including in the preparation and review of working papers and financial statements.

27. In preparing their statement of accounts, audited bodies are expected to:

- prepare realistic plans that include clear targets and achievable timetables for the production of the financial statements;*
- ensure that finance staff have access to appropriate resources to enable compliance with the requirements of the applicable financial framework, including having access to the current copy of the CIPFA/LASAAC Code, applicable disclosure checklists, and any other relevant CIPFA Codes.*
- assign responsibilities clearly to staff with the appropriate expertise and experience;*
- provide necessary resources to enable delivery of the plan;*
- maintain adequate documentation in support of the financial statements and, at the start of the audit, providing a complete set of working papers that provide an adequate explanation of the entries in those financial statements including the appropriateness of the accounting policies used and the judgements and estimates made by management;*
- ensure that senior management monitors, supervises and reviews work to meet agreed standards and deadlines;*
- ensure that a senior individual at top management level personally reviews and approves the financial statements before presentation to the auditor; and*
- during the course of the audit provide responses to auditor queries on a timely basis.*

28. If draft financial statements and supporting working papers of appropriate quality are not available at the agreed start date of the audit, the auditor may be unable to meet the planned audit timetable and the start date of the audit will be delayed.

Appendix B – Fees

The duty to prescribe fees is a statutory function delegated to Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Housing, Communities and Local Government.

This is defined as the fee required by auditors to meet statutory responsibilities under the Local Audit and Accountability Act 2014 in accordance with the requirements of the Code of Audit Practice and supporting guidance published by the National Audit Office, the financial reporting requirements set out in the Code of Practice on Local Authority Accounting published by CIPFA/LASAAC, and the professional standards applicable to auditors' work.

As part of our reporting on our independence, we set out here a summary of the expected fees for the year ended 31 March 2024.

Scale fee variations are agreed when we incur work in addition to the planned level of work built into the scale fee.

	Current Year 2023/24	Prior Year 2022/23
	Proposed fee £	Proposed fee £
Scale Fee – Code work	81,688	24,954
Scale Fee Variation – Note 1	0	8,784
Requested rebased fee sub-total	81,688	33,738
Additional fee for the provision of IAS 19 assurance letters – Note 2	6,500	0
Additional fee with respect to testing of triennial membership data submissions – Note 3	0	8,700
Additional specific in year risks – Note 4	TBC	20,000 to £30,000
Total fees		tbc

All fees exclude VAT

Note 1 – In order to meet regulatory and compliance audit requirements not present at the time of PSAA awarding the audit contract for audits up to and including the 2022/23 financial year, we assessed that the recurrent cost of additional requirements to carry out our 2022/23 audit should increase to £33,738. PSAA have increased the base scale fee, but in our view this still does not fully cover the additional work required and we will therefore be submitting a further proposed increase to PSAA for 2022/23 for their determination. This does not apply for 2023/24.

Note 2 – We plan to charge an additional fee in relation to the work required to respond to IAS19 assurance requests from admitted body auditors for 2021/22 and 2023/24. As the audit of the London Borough of Hillingdon for 2022/23 is not currently planned to be undertaken, we have not been asked to provide similar assurances for 2022/23.

Note 3 – We will charge an additional fee in 2022/23 with respect to detailed testing of the triennial membership submission to the actuary. This work is only required every three years

Note 4 – we have identified a number of specific in year risks in this Plan and further issues may be identified through our audit which require additional work and therefore fee. We will identify any such issues throughout our audit and report these to management and submit any resulting additional fees to PSAA for determination once the audit is concluded. ISA 315 in particular is likely to result in an additional fee, as this is not currently reflected in the PSAA scale fee. The fee for this is likely to be in the range of £4,000 to £6,000

Appendix C – Required communications with the Audit Committee

We have detailed the communications that we must provide to the Audit Committee.

Our Reporting to you

Required communications	What is reported?	When and where
Terms of engagement	Confirmation by the Audit Committee of acceptance of terms of engagement as written in the engagement letter signed by both parties.	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Our responsibilities	Reminder of our responsibilities as set out in the engagement letter.	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Planning and audit approach	<p>Communication of:</p> <ul style="list-style-type: none"> ▶ The planned scope and timing of the audit ▶ Any limitations on the planned work to be undertaken ▶ The planned use of internal audit ▶ The significant risks identified <p>When communicating key audit matters this includes the most significant risks of material misstatement (whether or not due to fraud) including those that have the greatest effect on the overall audit strategy, the allocation of resources in the audit and directing the efforts of the engagement team.</p>	Outline Audit planning report – April 2024
Significant findings from the audit	<ul style="list-style-type: none"> ▶ Our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures ▶ Significant difficulties, if any, encountered during the audit ▶ Significant matters, if any, arising from the audit that were discussed with management ▶ Written representations that we are seeking ▶ Expected modifications to the audit report ▶ Other matters if any, significant to the oversight of the financial reporting process 	Audit results report – November 2024

Appendix C – Required communications with the Audit Committee (cont'd)

Our Reporting to you

Required communications	What is reported?	When and where
Going concern	<p>Events or conditions identified that may cast significant doubt on the entity's ability to continue as a going concern, including:</p> <ul style="list-style-type: none"> ▶ Whether the events or conditions constitute a material uncertainty ▶ Whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements ▶ The adequacy of related disclosures in the financial statements 	Audit results report – November 2024
Misstatements	<ul style="list-style-type: none"> ▶ Uncorrected misstatements and their effect on our audit opinion, unless prohibited by law or regulation ▶ The effect of uncorrected misstatements related to prior periods ▶ A request that any uncorrected misstatement be corrected ▶ Material misstatements corrected by management 	Audit results report – November 2024
Subsequent events	<ul style="list-style-type: none"> ▶ Enquiries of the Audit Committee where appropriate regarding whether any subsequent events have occurred that might affect the financial statements 	Audit results report – November 2024
Fraud	<ul style="list-style-type: none"> ▶ Enquiries of the Audit Committee to determine whether they have knowledge of any actual, suspected or alleged fraud affecting the entity ▶ Any fraud that we have identified or information we have obtained that indicates that a fraud may exist ▶ Unless all of those charged with governance are involved in managing the entity, any identified or suspected fraud involving: <ol style="list-style-type: none"> a. Management; b. Employees who have significant roles in internal control; or c. Others where the fraud results in a material misstatement in the financial statements ▶ The nature, timing and extent of audit procedures necessary to complete the audit when fraud involving management is suspected ▶ Any other matters related to fraud, relevant to Audit Committee responsibility 	Audit results report – November 2024

Appendix C – Required communications with the Audit Committee (cont'd)

Our Reporting to you

Required communications	What is reported?	When and where
Related parties	<ul style="list-style-type: none"> ▶ Significant matters arising during the audit in connection with the entity's related parties including, when applicable: ▶ Non-disclosure by management ▶ Inappropriate authorisation and approval of transactions ▶ Disagreement over disclosures; ▶ Non-compliance with laws and regulations ▶ Difficulty in identifying the party that ultimately controls the entity 	Audit results report – November 2024
Independence	<p>Communication of all significant facts and matters that bear on EY's, and all individuals involved in the audit, objectivity and independence</p> <p>Communication of key elements of the audit engagement partner's consideration of independence and objectivity such as:</p> <ul style="list-style-type: none"> ▶ The principal threats ▶ Safeguards adopted and their effectiveness ▶ An overall assessment of threats and safeguards ▶ Information about the general policies and process within the firm to maintain objectivity and independence <p>Communication whenever significant judgements are made about threats to objectivity and independence and the appropriateness of safeguards put in place.</p>	<p>Outline Audit planning report – April 2024</p> <p>Audit results report – November 2024</p>

Appendix C – Required communications with the Audit Committee (cont'd)

Our Reporting to you

Required communications	What is reported?	When and where
External confirmations	<ul style="list-style-type: none"> ▶ Management's refusal for us to request confirmations ▶ Inability to obtain relevant and reliable audit evidence from other procedures 	Audit results report – November 2024
Consideration of laws and regulations	<ul style="list-style-type: none"> ▶ Subject to compliance with applicable regulations, matters involving identified or suspected non-compliance with laws and regulations, other than those which are clearly inconsequential and the implications thereof. Instances of suspected non-compliance may also include those that are brought to our attention that are expected to occur imminently or for which there is reason to believe that they may occur ▶ Enquiry of the Audit Committee into possible instances of non-compliance with laws and regulations that may have a material effect on the financial statements and that the Audit Committee may be aware of 	Audit results report – November 2024
Internal controls	<ul style="list-style-type: none"> ▶ Significant deficiencies in internal controls identified during the audit 	Audit results report – November 2024
Representations	<ul style="list-style-type: none"> ▶ Written representations we are requesting from management and/or those charged with governance 	Audit results report – November 2024
Material inconsistencies and misstatements	<ul style="list-style-type: none"> ▶ Material inconsistencies or misstatements of fact identified in other information which management has refused to revise 	Audit results report – November 2024
Auditors report	<ul style="list-style-type: none"> ▶ Any circumstances identified that affect the form and content of our auditor's report 	Audit results report – November 2024
Fee reporting	<ul style="list-style-type: none"> ▶ Breakdown of fee information when the audit plan is agreed ▶ Breakdown of fee information at the completion of the audit ▶ Any non-audit work 	Outline Audit planning report – April 2024 Audit results report – November 2024

Appendix D – Additional audit information

Regulatory update

Our objective is to form an opinion on the Fund's financial statements under International Standards on Auditing (UK) as prepared by you in accordance with International Financial Reporting Standards as adopted by the UK, and as interpreted and adapted by the Code of Practice on Local Authority Accounting.

Our responsibilities in relation to the financial statement audit are set out in the formal terms of engagement between the PSAA's appointed auditors and audited bodies. We are responsible for forming and expressing an opinion on the financial statements that have been prepared by management with the oversight of the Audit Committee. The audit does not relieve management or the Audit Committee of their responsibilities.

Other required procedures during the course of the audit

In addition to the key areas of audit focus outlined in section 2, we have to perform other procedures as required by auditing, ethical and independence standards, company law and other regulations. We outline the procedures below that we will undertake during the course of our audit.

Our responsibilities required by auditing standards

- ▶ Identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion
- ▶ Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control
- ▶ Evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- ▶ Concluding on the appropriateness of management's use of the going concern basis of accounting
- ▶ Evaluating the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- ▶ Obtaining sufficient appropriate audit evidence to express an opinion on the financial statements. Reading other information contained in the financial statements, the Audit Committee reporting appropriately addresses matters communicated by us to the Audit Committee and reporting whether it is materially inconsistent with our understanding and the financial statements
- ▶ Maintaining auditor independence

Appendix D – Additional audit information (cont'd)

Other required procedures during the course of the audit

Procedures required by the Audit Code

- Discharging our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice
- Reviewing, and reporting on as appropriate, other information published with the financial statements.

We have included in Appendix C a list of matters that we are required to communicate to you under professional standards.

Purpose and evaluation of materiality

For the purposes of determining whether the accounts are free from material error, we define materiality as the magnitude of an omission or misstatement that, individually or in the aggregate, in light of the surrounding circumstances, could reasonably be expected to influence the economic decisions of the users of the financial statements. Our evaluation of it requires professional judgement and necessarily takes into account qualitative as well as quantitative considerations implicit in the definition. We would be happy to discuss with you your expectations regarding our detection of misstatements in the financial statements.

Materiality determines the level of work performed on individual account balances and financial statement disclosures.

The amount we consider material at the end of the audit may differ from our initial determination. At this stage, however, it is not feasible to anticipate all of the circumstances that may ultimately influence our judgement about materiality. At the end of the audit we will form our final opinion by reference to all matters that could be significant to users of the accounts, including the total effect of the audit misstatements we identify, and our evaluation of materiality at that date.

Appendix E - Non-Compliance with Laws and Regulations (NOCLAR)

Non-Compliance with Laws and Regulations includes:

Any act or suspected act of omission or commission (intentional or otherwise) by the entity (including any third parties under the control of the entity such as subsidiaries, those charged with governance or management or an employee acting on behalf of the company), either intentional or unintentional, which are contrary to the prevailing laws or regulations

Management Responsibilities:

“It is the responsibility of management, with the oversight of those charged with governance, to ensure that the entity’s operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in an entity’s financial statements.”

ISA 250A, para 3

“The directors’ report must contain a statement to the effect that... so far as the director is aware, there is no relevant audit information of which the company’s auditor is unaware, and he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company’s auditor is aware of that information.”

ISA 250A, para 3

“Management is responsible for communicating to us on a timely basis, to the extent that management or those charged with governance are aware, all instances of identified or suspected non-compliance with laws and regulations ...”

Audit Engagement Letter

Management’s responsibilities are also set out in the International Ethics Standard Board of Accountants’ International Code of Ethics (IESBA Code) Para 360.08

Auditor Responsibilities

[The International Ethics Standard Board of Accountants’ International Code of Ethics \(IESBA Code\)](#) section 360 sets out the scope and procedures in relation to responding to actual or suspected non-compliance with laws and regulations.

Professional accountancy organisations who are members of the International Federation of Accountants (IFAC), such as the Institute of Chartered Accountants in England and Wales (ICAEW) are required to adopt the IESBA Code of Ethics.

We as your auditor are required to comply with the Code by virtue of our registration with ICAEW.

“If the auditor becomes aware of information concerning an instance of non-compliance or suspected non-compliance with laws and regulations, the auditor shall obtain:

An understanding of the nature of the act and the circumstances in which it has occurred; and
Further information to evaluate the possible effect on the financial statements

The auditor shall evaluate the implications of the identified or suspected non-compliance in relation to other aspects of the audit, including the auditor’s risk assessment and the reliability of written representations, and take appropriate action.”

ISA 250A, paras 19 and 22

Examples of Non-Compliance with Laws and Regulations (NOCLAR)

Matter

- ▶ Suspected or known fraud or bribery
- ▶ Health and Safety incident
- ▶ Payment of an unlawful dividend
- ▶ Loss of personal data
- ▶ Allegation of discrimination in dismissal
- ▶ HMRC or other regulatory investigation
- ▶ Deliberate journal mis-posting or allegations of financial impropriety
- ▶ Transacting business with sanctioned individuals

Implication

- ▶ Potential fraud/breach of anti-bribery legislation
- ▶ Potential breach of section 2 of the Health and Safety at Work Act 1974
- ▶ Potential breach of Companies Act 2006
- ▶ Potential GDPR breach
- ▶ Potential non-compliance with employment laws
- ▶ Suspicion of non-compliance with laws/regulations
- ▶ Potential fraud / breach of Companies Act 2006
- ▶ Potential breach of sanctions regulations

Appendix E - Non-Compliance with Laws and Regulations (NOCLAR) (cont'd)

What are the implications of NOCLAR matters arising?

Depending on the nature and significance of the NOCLAR matter the following steps are likely to be required, involving additional input from both management and audit.

This can have an impact on overall achievability of audit timeline and fees.

Across our portfolio of audits we have seen a steady increase in NOCLAR matters that need to be addressed as part of the audit over the past 3 years

Management response:

Timely communication of the matter to auditors (within a couple of days)

Determine who will carry out any investigation into the matter – in-house or external specialists or mix of both

Scope the investigation, in discussion with the auditors

Evaluate findings and agree next steps

Determine effect on financial statements including disclosures

Prepare a paper, summarising the outcome of the investigation and management's conclusions

Communicate the outcome to Those Charged With Governance (TCWG) and to us as your auditors. Report to regulators where required.

Key Reminders:

- ▶ Make sure that all areas of the business are aware of what constitutes actual or potential non-compliance and associated requirements
- ▶ Communicate with us as your auditors on a timely basis – do not wait for scheduled audit catch-ups
- ▶ Engage external specialists where needed
- ▶ Ensure that your investigation assesses any wider potential impacts arising from the matter, not just the matter itself.
- ▶ Plan upfront and consider any impact on overall accounts preparation and audit timeline – discuss the implications with us as your auditor

Audit response:

Initial assessment of the NOCLAR matter and its potential impact

Initial consultation with risk team to determine responsive procedures and the involvement of specialists

Understand and agree scope of management's investigation with support from specialists as needed

Evaluate findings and undertake appropriate audit procedures

Determine audit related impact including accounting and disclosure and audit opinion implications

Document and consult on the outcome of our procedures

Communicate the outcome with management, TCWG and where necessary other auditors within the group or regulators

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.

Ernst & Young LLP

The UK firm Ernst & Young LLP is a limited liability partnership registered in England and Wales with registered number OC300001 and is a member firm of Ernst & Young Global Limited.
