Statement of Truth

My name is Lynda ABU and I am writing in support of Mandala restaurant and grill lounge located near my home and work as they face a hearing on Friday 24/01/2025 regarding their licensing to remain fully operational and serve alcohol to the general public.

As a resident of the neighbourhood, I have seen firsthand how Mandala restaurant and grill lounge can contribute positively to our community. This establishment is more than just a business; it is a place where neighbours, family and friends gather. I also see this place as a place where new friendships can be formed, and local culture can be celebrated.

Mandala restaurant and grill lounge operates responsibly and professionally, ensuring a welcoming atmosphere for all patrons. I have visited this establishment multiple times since they opened last month and I can testify that their commitment to quality and excellent service has made them a favourite for me and my group of friends, and I believe that if given the chance they can become a cherished part of our neighbourhood as a social meeting point.

Allowing Mandala restaurant and grill lounge to continue its operations, including serving alcohol, would not only preserve the livelihood of the owners and employees but also support the vibrancy and economic health of our community.

I strongly urge you to consider the valuable role this business if given the opportunity brings to our small community. With this in mind, I will urge you to consider granting them the necessary licence to continue serving the public.

This is a Statement of Truth.
