Licensing Objective	Reasons for your representation and any supporting evidence
<p><i>Please tick;</i></p> <p><input type="checkbox"/> Prevention of Crime/Disorder</p> <p><input type="checkbox"/> Prevention of Public Nuisance</p> <p><input checked="" type="checkbox"/> Protection of Children From Harm</p> <p><input checked="" type="checkbox"/> Public Safety</p>	<p>I would like to appeal against this license as there are many children using vapes and drinking alcohol around the area which damages the society and the upcoming generations and their habits. Recently another license was issued and Ive seen many young people walk out of there with alcohol which is already bad enough for our area so there isn't need for another one to be added. Another reason why I am appealing against this license is that it would increase the amount of people being able to get alcohol and that would increase crime in the area as some people don't understand what they are doing after they drink and end up causing harm to others. The younger generations would also get influenced from looking at more people drinking to thinking that it is cool and try it themselves causing addiction and damage to more people.</p>

### The outcome you are seeking from the Licensing Authority (See note 6);

<p>Rejection of license or potentially license being given with many restrictions.</p>
