Licensing Objective	Reasons for your representation and any supporting evidence
<p><i>Please tick;</i></p> <p><input type="checkbox"/> Prevention of Crime/Disorder</p> <p><input type="checkbox"/> Prevention of Public Nuisance</p> <p><input type="checkbox"/> Protection of Children From Harm</p> <p><input type="checkbox"/> Public Safety</p>	<p>For a number of reasons, the addition of another off-licence to the region may greatly raise crime and public nuisance levels. Alcohol-related disorder, violent crime, and antisocial behaviour will all be more prevalent. The quality of life in the neighbourhood could be negatively impacted by the new off-licence since it would probably draw more people drinking in public areas, which would result in greater noise, littering, and disturbances.</p> <p>Furthermore, the opening of another off-licence increases the risk of underage drinking and the possibility that adults will buy alcohol or vapes for children. Although we have avoided similar incidents as a store, there is no assurance that the new off-licence would follow the same moral and ethical standards. Children may frequently be put in potential dangerous circumstances where they are either directly or indirectly involved in substance and alcohol abuse.</p> <p>(Please see Crime Ref: CAD Number - 7718/14Nov24) CHS 32076/01DEC24 CHS 32129/23DEC24 CAD 7718/14NOV24 CHS 33316/25AUG24 CAD 4009/16Jun24</p> <p>In addition to posing a threat to public safety, this increasing availability makes it more difficult for the neighbourhood to keep a secure, family-friendly environment; eventually leading to a concern of public safety within the area.</p>

The outcome you are seeking from the Licensing Authority (See note 6);

As a company, we request the Licensing Authority to reject the application of granting the opening of another off-licence within the area due to the aforementioned reasons. Additionally, it would be unfair to us as a business as there would clearly be competition and since we have been operating within the area for many years, the new business would surely have an advantage by gaining customers through reduced prices which will, in fact, impact our business.

We would appreciate it if you would look into this matter thoroughly and make a decision that would not only be in the betterment of our business and especially the community but also one that would aid all parties involved.
