Licensing Objective Reasons for your representation and any supporting evidence

Please tick;

I am a resident of [redacted] Station Road, [redacted]

[redacted] I am submitting this representation in objection to the application on the grounds of the following Licensing Act 2003 objectives:

£ Prevention of Crime/Disorder

#### 1. The Prevention of Crime and Disorder

Extending the opening hours into the early morning increases the likelihood of loitering and antisocial behaviour outside the premises. As the entrance to my home is located immediately next to the business, any such disturbances would occur directly outside our front door, creating a genuine concern for the safety and wellbeing of my family.

£ Prevention of Public Nuisance

#### 2. Public Safety

The possibility of confrontations, intoxicated individuals, or disorderly behaviour outside our residence during late hours raises serious public safety concerns for us as residents. This is especially concerning as we would be regularly entering and exiting our home while the premises is operating.

£ Protection of Children From Harm

#### 3. The Prevention of Public Nuisance

£ Public Safety

The location of our flat directly above the premises means that any increase in late-night activity is likely to cause significant noise disturbance. We are particularly concerned about the disruption to sleep from customers congregating, talking loudly, or playing music outside the premises during these extended hours.

Given the residential nature of the immediate surroundings and the close proximity of our home to the premises, we believe that granting this licence would have a direct and detrimental impact on our quality of life.

I respectfully urge the Licensing Authority to consider these concerns and the impact on local residents when making their decision.

### The outcome you are seeking from the Licensing Authority (See note 6);

We request that the license is only granted until 12am.

Signed: ..
