

SHAB NM ASCAR

To London Borough of Hillingdon – Licensing Team

A premises licence application has been submitted for Tesco Store, 34 Station Road, West Drayton, UB7 7BX for the Retail Sale of Alcohol.

We undersigned object to this proposal on the following grounds:

1. The station road area has a very rate of street drinkers, this will only add and make matters worse for everyone including the police, environment and licensing.
2. An off licence may attract customers who may cause trouble and increase the issues surrounding the, there are 7 off licence premises within 0.2miles and approximately 5min walk.
3. With the increasing anti-social behaviour this will only add to the problems.
4. Its already tough surviving within this much competition, now to allow a Tesco to come and destroy everyone's lively hood.
5. We strongly object to this licence and should be refused out right.
