LEGAL COMMENTS

10. This report recommends that the street trading licences as attached at Appendix 1 be renewed in accordance with Section 25(1) of the London Local Authorities Act 1990 (as amended) – (“the Act”).
11. An application for the renewal of a street trading licence should be made not later than two months before the date on which the existing licence will cease to be valid. This time period may be shortened if the Local authority considers it reasonable to do so.
12. Section 25(4) of the Act specifies that a street trading licence may not be granted:
 - a. To a person under the age of 17 years;
 - b. To a company incorporated under the Companies Acts, an unincorporated association or a partnership except where such an application is made to carry on ice cream trading
 - c. In respect of an application for a street trading licence which, if granted, would authorise trading in a street which is not a licence street. An exception to this prohibition is where the application is for the grant of a temporary permit and the proposed trader has the permission of the owner of the land to carry out trading activities. In such a situation, the applicant is required to provide sufficient evidence of such permission to the Licensing Sub-Committee.
 - d. Where the goods that the trader proposes to trade in are prohibited or embargoed by a resolution passed in compliance with Section 24(1)(b) of the Act.
13. In accordance with Section 25(4)(b), a licence may not be granted unless the Sub-Committee are satisfied that there is enough space in the street for the applicant to engage in the trading activity without causing undue interference or inconvenience to persons or vehicular traffic using the street.
14. As at 26 February 2010, all public pavements immediately in front of any shop within the London Borough of Hillingdon has been designated as a licence street for the purposes of street trading under the Act.
