### RECOMMENDATIONS

That Cabinet:

- 1) Recommends that the Licensing Committee consider re-delegating its licensing functions as set out in the attached Appendix 1 and;
- 2) Instructs officers to prepare a Street Trading Licensing Policy.

### INFORMATION

#### Reasons for recommendation

To consider the above two proposals arising from the licensing review being undertaken to improve the process and issue of street trading licences by the Council.

## **Alternative options considered / risk management**

If the proposals are not implemented and the existing system of determining applications continues, there will be different procedures for different licences. Not to introduce a policy will create a vacuum with regard to information and expectations of those involved.

## **Comments of Policy Overview Committee(s)**

None at this stage.

## **Background**

### **Licensing Sub-Committee Delegations**

At its meeting on 14<sup>th</sup> January 2010, Council resolved:

*"That Council grant the necessary powers to the Licensing Committee to determine street trading applications and authorises the Head of Democratic Services, in consultation with the Leader of the Council, to agree any protocols or procedures or further constitutional changes required to effect this."*

The Licensing Committee subsequently met and resolved that all street trading applications would be determined by Licensing Sub-Committees. This decision included both contested and un-contested applications.

Since then, the Licensing Sub-Committees have determined over 428 street trading applications (at the time of writing this report) ranging from table and chair licences, shop front licences, individual market stalls and temporary pitches etc. The Licensing Sub-Committee also has an urgency procedure, where it can meet quickly to approve licences at short notice, e.g. for events in the Borough.

This report to Cabinet now proposes that street trading licence applications are brought in line with all the other licensing functions carried out by the Licensing Service and Licensing Sub-Committees. For example, un-contested alcohol and entertainment premises applications and unopposed gambling applications are currently determined using delegated officer powers.

Under this proposal, all contested street trading applications would continue to be determined by the Licensing Sub-Committees. However, all un-contested applications would be determined under delegated powers to the Deputy Chief Executive and Corporate Director of Planning, Environment, Education and Community Services. Any revocation of a street trading licence, as this would likely affect the livelihood of an individual(s), would still be determined by a Licensing Sub-Committee.

Under these proposed new arrangements, objections / representations to street trading applications would be considered in the light of the proposed Street Trading Licensing Policy (recommendation 2). Consultees, consultation arrangements and the circumstances for defining when an application is "contested" and thus due for Licensing Sub Committee referral would be clarified in this policy. It is proposed that this policy be put forward to the May Cabinet for consideration.

This proposal has been identified as one of the early improvements which will assist the Council's Rapid Improvement Event review of licensing functions, which is part of the Business Improvement Delivery programme. If implemented, it could potentially reduce the cost of

processing such licence applications and licence processing turn around times would greatly improve.

London Boroughs, including Westminster, Greenwich, Hammersmith & Fulham, Lambeth, Southwark and Waltham Forest have adopted the approach of delegating decisions on uncontested Street Trading applications to officers.

The proposed delegations are set out in **Appendix 1**.

Whilst Cabinet is being asked to recommend this change, regulations require that the Licensing Committee must meet to agree this revision to the operation of the Licensing Sub-Committees.

The Licensing Sub-Committees would continue to meet regularly to determine licence applications under the following legislation:

- Licensing Act 2003 – for alcohol, entertainment, late night refreshment etc.
- Gambling Act 2005 – for bingo, adult gaming, betting, gaming machines, lotteries etc.
- Local Government (Miscellaneous Provisions) Act 1982 – for sex establishments (as currently proposed by Cabinet and subject to Council approval in July 2011)

Licensing of leaflet or hand bill distributors and busking is carried out under delegated officer powers. It is not proposed to amend this arrangement.

### **Street Trading Licensing Policy**

It is proposed to prepare a Street Trading Licensing Policy, which will ensure consistency, accountability and transparency and bring street trading in line with the other licensing functions. Policies are a statutory requirement under the Licensing Act 2003 and Gambling Act 2005 and although such a policy is not statutory for street trading, the European Union Services Directive recommends the introduction of policies for regulatory functions.

### **Financial Implications**

If implemented this change is expected to generate some minor savings which will arise from a reduction in printing and advertising costs, application processing costs and general licence administration. There would be a small reduction in paperwork and support from Legal and Democratic Services to the Licensing Sub-Committees.

A wider review of applications and licensing is being undertaken as part of the Business Improvement Delivery (BID) programme and any cashable savings will be identified as part of this review for inclusion in the Medium-Term Financial Forecast (MTFF) and budget process.

## **EFFECT ON RESIDENTS, SERVICE USERS & COMMUNITIES**

### **What will be the effect of the recommendation?**

Residents and stakeholders will continue to be consulted on street trading applications in the usual way. Proposed changes to the Licensing delegations will reduce the burdens and delays for those applying. A new policy will provide clear guidance for those involved.

Public consultation will be required if the Council is to create a Street Trading Licensing Policy. This public consultation would last 28 days and include meetings with various stakeholders and residents in order to ensure that their concerns are addressed.

## **CORPORATE IMPLICATIONS**

### **Corporate Finance**

Corporate Finance has reviewed this report and is satisfied that the financial implications reflect the direct resource implications for the Council. Any cashable savings resulting from the wider review will be included in the Medium-Term Financial Forecast (MTFF) and budget setting process.

### **Legal**

Legal comments have been incorporated into this report. It is confirmed that the proposed scheme of delegations does not contravene any legislative requirements related to that particular licensing function.
