South Ruislip Station Road/
Long Drive (NAJ2-1)

25/3/11 to 6/5/11

Whilst we recognise that such works can cause some disruption, please be reassured that every effort will be made to ensure noise levels are kept to a minimum. Contractors are also expected to behave in a professional manner at all times, in direct accordance with Network Rail's 'good neighbour policy'.

The bridge strengthening works for the structure named above is required to allow the renewal and re-alignment of the existing railway. To facilitate the works Station Road/Long Drive will require temporary traffic management. This traffic management will consist of lanes closures under the control of traffic light for a period of four weeks.

To minimise the disruption the works will be carried out 24 hours a day. The contractors will be using some noisy equipment and there will also be lights and generators on site. Wherever possible, silenced equipment and noise barriers will be used. Site personnel will be briefed to ensure that they cause the least possible disturbance when working close to residential properties.

Should you need to raise any concerns with us please contact the 24 hour BAM Nuttall Control Centre Helpline on 01295 222 769 / 770.

In the meantime I would like to take this opportunity to thank you in advance for your co-operation and apologise for any inconvenience you may be caused during this essential work.

Thank you for your support.
