Internal Audit Charter & Terms of Reference**

**1.PURPOSE**

2. This Charter describes the purpose, authority, and principal responsibilities and operating methods of the council's Internal Audit Section.

**3.DEFINITION OF INTERNAL AUDIT**

4. The CIPFA Code of Practice for Internal Audit in Local Government (2003) defines Internal Audit as 'an assurance function that primarily provides an independent and objective opinion to the organisation on the control environment comprising risk management, control and governance by evaluating its effectiveness in achieving the organisation's objectives. It objectively examines, evaluates and reports on the adequacy of the control environment as a contribution to the proper, economic, efficient and effective use of resources.'

**5. PURPOSE**

6. Internal Audit is an independent appraisal function established within the Council to examine and evaluate activities as a service to the organisation and to contribute advice at an early stage in the implementation of any developments/amendments to processes. The objective of Internal Audit is to assist elected members and officers of the Council in the effective discharge of their responsibilities. To this end, Internal Audit will furnish them with analysis, appraisals, recommendations, advice and information concerning the activities reviewed.

**7. AUTHORITY**

8. The statutory basis for Internal Audit is the Accounts and Audit Regulations 2003, which require that a "relevant body shall maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control in accordance with the proper internal audit practices." Proper internal Audit Practices are defined in the *Code of Practice for Internal Audit in Local Government in the UK*.

9. Internal Audit Section takes due cognisance of the standards promoted by other bodies such as the Institute of Internal Auditors (IIA), Auditing Practices Board (APB) and the CCAB accounting bodies.

**10. INDEPENDENCE**

11. The Head of Internal Audit reports to the Section 151 officer and has unrestricted access to the Chief Executive, the Leader of the Council and to members through the Audit Committee. Internal Audit's authority is derived from policies, procedures, rules and regulations established by the Council. These include Financial Regulations, Conditions of Service, and Code of Conduct.

12. The authority for the production and execution of the audit plan and subsequent audit activities rests with the Head of Internal Audit. The annual audit plan will be presented for approval to the Council's Corporate Management Team (CMT) and to the

elected members via the Audit Committee. Based on the work carried out the Head of Internal Audit will produce an Annual Audit Opinion on the systems and controls operating in the year.

5.3 The Head of Internal Audit will also report to the Annual Governance Statement Working Group any audit issues likely to merit inclusion in the statement and contribute to the Audit Committee's Annual Report to the Council.

### 13. ACCESS

14. To meet its objectives, Internal Audit shall have unrestricted access to all Council records (whether manual or computerised systems), cash, stores and other property, and to enter Council property or land. Such access shall be granted on demand and not subject to prior notice. Internal Audit will have the authority to obtain such information and explanations as it feel necessary to fulfil its responsibilities.
